We have reviewed the accompanying special-purpose Treasurer's Report of the South Yadkin Baptist Association for the year ended September 30, 1991 in accordance with standards established by the American Institute of Certified Public Accountants. All information included in this Treasurer's Report is the representation of the management of the South Yadkin Baptist Association.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The accompanying special-purpose Treasurer's Report was prepared for the purpose of inclusion in the Association's 1991 Annual, and is not intended to be a presentation in conformity with generally accepted accounting principles.

Based on our review, we are not aware of any material modifications that should be made to the accompanying special-purpose Treasurer's Report.

CONSTITUTION

Preamble

We, the messengers of Southern Baptist Churches of Iredell and Davie Counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie Counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or major fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

(b) All ordained ministers who are pastors therein or laboring in connection therewith.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

ARTICLE V: DUTIES OF THE CHURCHES

Section 1. It shall be the duty of each church to elect responsible members as messengers and to encourage their attendance at the annual session of the Association.

Section 2. Each church shall send annually a report to the Association, giving information requested in forms provided by the Associational Clerk.

ARTICLE VI: ORGANIZATION

Section 1. The general officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session. These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the clerk and the treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

ARTICLE VII: DUTIES OF OFFICERS

Section 1. It shall be the duty of the Moderator to preside when the Association is in session and in other meetings as provided for in this constitution.

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible.

Section 3. It shall be the duty of the clerk to keep an accurate record of the meetings of the Association and prepare minutes to be distributed within two months after the annual meeting or as soon thereafter as possible.

Section 4. It shall be the duty of the treasurer to keep an accurate account of all money paid into his hands, pay all bills as they come due, make regular reports to the Executive Promotion Committee, and make an annual report to the Association.

Section 5. It shall be the duty of the Historian to collect minutes of each session of the Association and have these bound into book form every twenty years, and to collect and preserve records of the history of our Association.

ARTICLE VIII: RULES OF ORDER

The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations:

1. All business shall be conducted and all discussions shall be carried on in the manner prescribed in "Roberts Rules of Order".
2. The method of voting shall be by the will of the body.
3. The simple majority shall prevail in all cases except as otherwise provided by this constitution, provided that any member may at any time call for a secret ballot or a roll call on doubtful issue.
4. A ruling by the presiding officer shall be final unless appeal be made from such ruling to the entire body present.
5. A question having been decided twice by a vote in the same attitude at regular sessions of the Association shall not be reintroduced at that annual session, except by the consent of the body, as expressed by a majority vote.

ARTICLE IX: TIME OF MEETING

The Association shall meet annually on the Monday and Tuesday immediately following the third Sunday in October; however, in the case of some unavoidable circumstances that make a change in the date necessary, the moderator, and/or the vice-moderator is empowered to make such a change. The moderator and/or vice-moderator shall have the authority to call a special meeting of the Association should the need arise. In the event that the offices of moderator and vice-moderator become vacant, the Clerk shall have authority to call such meetings, provided that a notice of the time, place and purpose of such a called meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

ARTICLE X: THE ASSOCIATIONAL YEAR

The Associational year shall begin with the first of October of each year and close the following September 30.

The

Associational Director of Missions shall be an ex-officio member. This committee shall act for the Association in the interim between annual sessions of the Association. It shall take no action contrary to the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next Annual Meeting of the Association for appropriate consideration. It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

The Association shall have such Standing Committees as may be considered necessary to promote efficiently the work of the Association, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, and Evangelism Chairman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already been called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation. The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

8. The Committee on Evangelism. This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

ARTICLE XIV: TRUSTEES

Section 1. Three trustees shall be elected annually and they shall serve until their successors are duly elected. Vacancies occurring between sessions of the Association shall be filled by the Executive Promotion Committee.

Section 2. The trustees shall be the legal representatives of the Association in all matters relating to law, sign all legal documents as directed by the Association or by the Executive Promotion Committee between sessions of the Association. They shall have the power, to hold, buy, sell and convey property, both real and personal and to sign all papers necessary for the conveyance.

ARTICLE XV: ADOPTION

This constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

ARTICLE XVI: REVISION

This constitution may be immediately revised at any session of the association by a vote of two-thirds of the messengers present or by a simple majority provided that notice of such revision shall have been given at a previous annual session.

Their selections were: "Your Love Is Better Than Life", "I'm Gonna View That Holy City", and "One Scarred Hand". Rev. Dale Ellis, Pastor of New Hope, brought the afternoon message from I Corinthians 15:58. Rev. Ray Watts, Retired Pastor, pronounced the blessing and benediction.

Cecil Herrin, Chairman of the Counseling Center Advisory Board, presented the board's report and called attention to a printed financial insert in the Book of Reports and the Digest of Letters. He made three recommendations found in the printed report and moved the adoption of the report. After a second to the motion, Rev. Gary Marshall asked whether we could handle the workload from other mainline denomination referrals or was this recommendation to broaden the financial base. Rev. Herrin answered yes it would help broaden the financial base and that when funds were sufficient, a lady counselor was already waiting to start counseling to help with the workload. The report with recommendations was adopted.

Mrs. Libby Correll, WMU Director, gave the WMU Report. Rev. Paul Hill, Sunday School Assist Director, presented the Sunday School Report. Rev. Scott Eanes referred to the printed VBS Report in the absence of the VBS Director. Dr. Harvey Rogers, Vice-Moderator, presided at this time. Rev. FIRST BAPTIST CHURCH, MOORESVILLE
Tuesday, October 22, 1991

Rev. Scott Eanes called the meeting to order. Rev. Mark Pitts, Minister of Youth at Mooresville, FBC, opened the meeting with scripture reading from Hebrews 11:1,2, & 6 and led in prayer. Rev. Kermit Burns, Minister of Music & Recreation at Berea, led the congregation in singing "I Will Sing The Wondrous Story". Rev. Bobby Sanderson, Chairman of the Resolutions Committee, made an announcement concerning submitting resolutions. Rev. Henry Cook, Chairman of the Constitution and By-Laws Committee, gave information due to several inquiries concerning Article II on Membership to the Annual Meeting. He stated that Article II, Section 1 (b) on page 12 of the 1990 Associational Annual would be deleted due to the vagueness of the language. Rev. Eanes clarified the reason for the notice was to follow the constitution in giving a

year's notice for any change. Rev. Hager gave attention to the budget item of Annual Meeting Expenses. He stated that smaller churches could host the meeting with some financial assistance for the meal costs. He suggested that an additional $100 or more would be needed to add to the budget item in order to give $100 to $150 per church to apply towards the meal costs, which averages between $400 and $500 per church. Mr. Buford Rimmer made the motion to add $400 to the budgeted item for the meal costs and to make any adjustments the following year if this would not cover the costs. Rev. Robert Jackson seconded the motion; the motion carried.

Mr. Tom Lineberger gave a report from South Mountain Baptist Camp stressing the consistency of the camp ministry over the past 35 years in evangelism and the quality program of missions. Rev. Bobby Sanderson led the congregation in singing "Amazing Grace" and "How Great Thou Art". Special music was presented by Karen Sawyer and Rev. Chris Jenkins of Mooresville, FBC. CHRISTIAN ACTION LEAGUE REPORT

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT...North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2. DRUNK DRIVING...The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES...It is ironic that an open liquor bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung-up" in a House committee.

4. TEEN-AGE PREGNANCIES...In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from

sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."

5. ABORTION FUND...North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions.

How can we turn the tide on these important moral issues? Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Goverment Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed.

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

ANNUITY BOARD REPORT

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

* up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

* up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan." Frank Schwall. senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

* small contributions make the annuitant's benefits small: In North Carolina

185 receive less than $50
482 receive less than $100
1041 receive less than $200
1338 receive less than $300

There is a <u>great</u> challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

THE BIBLICAL RECORDER

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The <u>Biblical Recorder</u> was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

STATE MISSIONS REPORT

North Carolina Baptists continue to give faithfully tc the support of missions in our state. In addition to money received through the Cooperative Program, Baptists gave over $1.6 million last year for the State Missions Offering. This money helps to support missions' work from the coast to the mountains in North Carolina. It helps to continue a strong heritage of doing missions by Baptists in North Carolina, preserving the thrust passed on to us by our forefathers.

The Missions Division of your Baptist State Convention organizes its work through several distinct areas.

Two Area Missionaries serving the western and eastern regions of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. In addition, special programs are coordinated for resort ministries, world missions conferences, and church missions development.

Chaplaincy and Language Ministries includes giving support to all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multihousing settings, conducts demographic studies and assists churches and associations with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with General Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with bivocational ministers and in-service guidance for some of the colleges and universities in the state.

Special Ministries offers ministry to the blind, provides for literacy training, coordinates church and community ministries among associations, ministers to mentally retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

BAPTIST CHILDREN'S HOMES REPORT

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there to pave their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for 8 girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10% of everything it receives over the $500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

BAPTIST RETIREMENT HOMES REPORT

1991: Making Life For Older Adults The Best Of Times

The Baptist Retirement Homes of N.C., Inc. operates 4 residential facilities for Older Adults around the state - the Albemarle Baptist Home in the southern piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than 5 years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western N.C. Baptist Home on Richmond Hill in northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to western N.C. Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across western N.C. are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the state.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive...a service unmatched by any other church related long term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults...The Best of Times!

NORTH CAROLINA BAPTIST COLLEGE REPORT 1991

A "new-old" event is about to take place in North Carolina Baptist life: A Special Committee!

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty", appointed in 1967, worked for 2 years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for N.C. Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. N.C. Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernathy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

BAPTIST FOUNDATION REPORT 1991

The Board of Directors and the staff of the N.C. Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year 1990: $647,180

Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990: $686,124

The staff of the Foundation consists of 7 full-time employees and 2 persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever-increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in

1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

YOUTH COMMITTEE REPORT

The 1990-91 associational year was a good year in terms of ministry through and with our youth in the South Yadkin Association. We had a wide and varied set of programs offered mainly through our local churches. Our committee sought to serve as both encourager and enabler for local churches as it offered a variety of ministries from youth revivals and youth rallies to special concerts and lock-ins.

Our main project this year has been the South Yadkin Associational Basketball Leagues that played at First Baptist Church, Statesville beginning in early January and late March. This year we offered a Coed League for Grades 1-3 with 4 teams, a Coed League for Grades 4-6 with 4

teams, a Junior/Senior High Girls League with 3 teams, and a Senior High Boys League composed of 5 teams. We had a total of 7 churches represented and hope to add 3-4 other churches to this year's leagues. Altogether these leagues involved over 200 ball players each Saturday. The kick-off for this year will be a Basketball Clinic conducted by the Kentucky Baptist Crusaders Sports Team in November and a Holiday Basketball Tourney.

SOUTH MOUNTAIN BAPTIST CAMP

1991 Report

Theme "Found Faithful"

South Mountain Baptist Camp will soon complete its 35th year serving the churches in Region 8 of the N.C. Baptist State Convention.

The summer camping season, consisting of 8 weeks, was attended by a total of 1,239 boys, girls, and counselors. Of this number, 140 rededicated their lives to Christ, 161 came accepting Jesus as Savior. During the weeks of June 16-22 the camp was leased to the N.C. West District of the Wesleyan Methodist Church. They reported another 66 decisions. Counting all groups your camp was used by over 2,239 men, women, boys, and girls and there were a total of 367 decisions.

The year-round retreat ministry was very busy with youth and adult groups using our winterized cottages and The Byrd Conference Center. Other special groups using the camp were the Catawba River Associational Day Camp, Burke County Law Enforcement Association, and the Western Carolina Center. The fall retreat schedule is full through the month of November.

The theme "Found Faithful" was used to challenge and inspire all those attending to be "found faithful" in joyful fellowship with the Father and "found faithful" in reaching the world for Christ.

Please keep your camp and retreat facilities in mind when planning this year's activities for your total church family. Also keep South Mountain in mind when planning this year's budget and include the camp as part of your church's giving.

STEWARDSHIP/COOPERATIVE PROGRAM REPORT

Along the lines of stewardship education in the South Yadkin Association this year, we have held one associational-wide event. This was the annual Stewardship Conference held on February 28, 1991 at the Western Steer restaurant on Highway 90. This meeting was well-attended with Ken Batts from the Stewardship Division of the Baptist State Convention leading us. This year's Bold Missions Stewardship Conference will be held on May 28, 1992 at 6:00 p.m., place to be announced.

I am aware of several churches that held "Great Challenge" programs this past year as well as participating in the Witnessing/Giving Life Revival emphasis this past spring.

My wife and I were able to attend a state Christian Money Management workshop at Caraway and plan to be available to lead these type of conferences by the spring of 1992. If interested please contact me.

As of June 30, 1991 our total associational gifts to the Cooperative Program were $8,732.85 higher than this time one year prior.

Our state convention's Stewardship Division is a great resource for any materials or help needs in the area of stewardship education as well as help and information on the Cooperative Program.

If I can be of any help to you or your church in these areas of stewardship education please feel free to contact me.

Rev. Scott Eanes, Stewardship & Cooperative Program Coordinator

ORDINATION COMMITTEE REPORT

The Ordination Committee met three times this year to examine Bob Lyon (Peninsula Baptist Church), Paul Brennen (Southside Baptist Church), and Tim Mills (South River Baptist Church). All of these men were found to be honorable men of faith, enjoying an authentic relationship with Christ and possessing a clear call to the Gospel Ministry. All three men were approved by the committee.

DISCIPLESHIP TRAINING REPORT

A disciple is a follower, discipleship should begin at the moment of conversion to Christ. Discipleship is a process, not a program, it's up to every individual Christian and church to decide the best methods of discipleship to meet their needs.

Our Associational "M" Night was held on Monday, November 26, 1990 at Hebron Baptist Church, the theme was "Accepting The Challenge: Disciple-ALL." The attendance was 170 with 16 churches represented. The evening began with workshops for Adult, Youth, Children, and Preschool. These workshops were conducted by Rev. Robert Jackson, Rev. Philip McGaha, Mrs. Pat Hancock, and Mrs. Teresa McGaha. Special music was presented by the Hebron Choir. The guest speaker was Dr. Mark Corts, Pastor of Calvary Baptist Church in Winston-Salem.

On Monday, March 11, 1991 "Exploring Discipleship" was held at Troutman Baptist Church. Mrs. Wendy Edwards and Mr. Eddie Hammett from the Baptist State Convention Discipleship Training Department conducted an evening of workshops and discussion. Refreshments were provided by the Troutman Baptist Church WMU.

On April 17, 1991 an Associational Bible Drill was held at Front Street. The participants from Front Street were, Emmy Fox, Jonathan McKinna, Erica Hancock, Meredith Hancock, Patrick Meadors, Rodney Mayberry, Stacy Pope, and Jennifer Pittman. The Bible Drill leaders were Mrs. Pat Hancock and Mrs. Elaine Pittman.

On May 18, 1991 the State Children's Bible Drill was held at Eastern Hills Baptist Church in Charlotte. Our association was represented by 6 associational winners from Front Street. We had more 3-year winners than any church drill team in Charlotte.

At Diamond Hill Baptist Church on August 26, 1991 our Associational Key Leadership Conference was held. Rev. Robert Jackson, Rev. Philip McGaha and I introduced some of the materials available for our churches to use in Discipleship Training.

If our Associational Discipleship Team can be of any assistance to any church, please call. In I Corinthians 3:6 Paul said, I have planted, Appollos watered; but God gave the increase. May God bless our churches as we go forward through discipleship.

Respectfully submitted,
Rev. Tony E. Bunton, Director

BROTHERHOOD REPORT

Men and boys in the South Yadkin Baptist Association have been active this year in their individual churches, across the state and around the world. Baptist Men have done volunteer work in the following areas: prison and jail ministries, truck-stop ministry, Yokefellow woodsplitting, Teen Challenge, South Mountain Baptist Camp, construction work at Houck's Chapel in Hickory, ministry at South Fork Baptist Church in West Virginia, N.C. Baptist Assembly at Fort Caswell, a mission to New York, and overseas work in Venezuela and Peru.

Worship services are held each Sunday morning at the Iredell County Prison Unit at 8:00 a.m. and Sunday School follows at 9:00 a.m. Baptist Men assist local pastors, serving in capacities as volunteer chaplain, Sunday School teacher, music leading, and pianist. WMU groups provided 175 dozen cookies for last year's Christmas parties at the Iredell and Davie County Prison Units. Postage and 6 Christmas cards for each prisoner were provided by donations from Baptist Men and WMU ladies. Fruit and candy were also given to the prisoners at the service. This year the parties are scheduled for December 14 and December 21 for Iredell and Davie Units. Cookies and cards and/or postage are needed by December 13 at the associational office.

Volunteers visit the jail in Statesville on Saturday mornings. Literature is needed (used Christian magazines/S.S. materials) and may be taken to the associational office. Worship services are offered at Homer's Truck Stop every Sunday at 11:00 a.m. and 5:00 p.m. A tract rack is maintained. Yokefellow wood-splitting will continue on the 2nd Saturday of each month during the winter. Three hydraulic wood-splitters are provided by our Brotherhood for Yokefellow and church use. Work at Teen Challenge is scheduled for the 4th Saturday of each month during winter months.

Work at South Mountain Baptist Camp has been done by Baptist Men and boys. The main road was widened, grounds were improved, and men helped to roof the dining hall. Volunteers continue to work in carpentry and construction at Houck's Chapel in Hickory. Baptist Men worked in West Virginia, helping to pour the foundation and do block work at the South Fork Baptist Church in Riverton. Baptist Men and boys have been to New York City for volunteer work and have worked at the N.C. Baptist Assembly at Fort Caswell.

Overseas missions have also been a part of Brotherhood work. A team traveled to Venezuela in January, and another team worked in Cajamarca, Peru in April. A local clothing, medicine, seed, and medical and dental equipment appeal for the cholera-ridden people in Peru brought forth an 18-wheeler load of supplies, which was driven to Houston, Texas by a volunteer from our region for shipping. Other volunteers drove to Houston to help the missionary pack the supplies into a shipping container. A 12 member team then traveled to Peru to assist in windmill construction for fresh water for the Peruvians in conjunction with missionary Larry Johnson, agricultural missionary and well-driller serving there.

Baptist Men attended an Associational Brotherhood Workshop this year. The 1991-92 workshop is scheduled for October 28 from 7:00-9:00 p.m. at Western Avenue Baptist Church. RA leaders and Baptist Men...plan to attend! Baptist Men attended the Baptist Men's Convention in Winston-Salem. Our Brotherhood has a 5'X8' utility trailor which has been used on mission trips, by church youth groups, and in assistance to the WMU during the Statesville Balloon Rally.

Royal Ambassadors and High School Baptist Young Men have been active. Churches participated together in an RA Christmas float, a Car Derby and Mission Fair at Southside Baptist Church where 84 boys from 10 churches participated, RA and HSBYM basketball with 8 churches playing (3 wood-splitting or other mission projects were required of teams), state RA and HSBYM Congresses where awards were received by several RAs and HSBYM from our association, and RA camps at South Mountain Baptist Camp and Camp

CaRAway. A Regional Pioneer and HSBYM Rally is coming November 2.

Every man and boy is needed in our Brotherhood work and fellowship this year. Areas of work need more helpers. Won't you help in an area this year?

Wes Lytton, Director

FRONT STREET BAPTIST CHURCH HISTORY

What is known today as Front Street Baptist Church began when George H. Brown introduced a resolution that First Baptist Church start a Sunday School in the Bloomfield section of Statesville. Although the resolution to begin the new Sunday School was prior to October 6, 1907, we have no official record of its organization until H.C. Wilson was elected as superintendent of the Sunday School on September 28, 1910.

On Sunday, August 27, 1911 a group of pastors and deacons met with a number of brethren and sisters, and the group became a duly organized Baptist church with 23 charter members.

The first portions of recorded history for our church indicate that it was first named Brown Memorial Baptist Church in honor of George H. Brown. Mr. Brown declined the honor, and the church in conference on Aug. 29, 1911 "agreed that this church shall be known as the Front Street Baptist Church." During the same business meeting the church voted to ask for membership in the South Yadkin Baptist Association. To the association, the newly organized church sent its first mission offering of $20.50.

The lot on which our present sanctuary stands was donated by the late L.C. Wagner. Construction of the chapel began at once where the present day Holland Chapel stands and was completed September 1, 1911.

A new sanctuary was constructed in 1939 and dedicated debt free on December 10, 1944. Only a month later, hearts were saddened when the church caught fire and burned. The church was completely rebuilt and again dedicated debt free in August 1945. In 1952 Front Street was responsible for the organization of Monticello Baptist Church. Front Street bought the property where the sanctuary now stands and assisted in erecting the first building. The educational building of Front Street Baptist Church was constructed in 1958.

In 1960-61 the organization of a mission, that would become Oakdale Baptist Church, was begun. Front Street voted in April, 1970 to build its present sanctuary. Construction began in July, and the new structure consisting of sanctuary, staff offices, choir room, kitchen and fellowship hall was dedicated April 2, 1972. On August 24, 1980 the old sanctuary was dedicated to the memory of Rev. C.C. Holland as the Holland Chapel.

During Easter of 1982 under the leadership of Paul McManus, Minister of Music and Youth, Front Street presented "Living Easter" for the first time as a ministry to Statesville. Three performances were given that

first year with total attendance exceeding 3200. In 1988 it was decided, that instead of "Living Easter" being an annual event, the performance would be given every three years; the next being in 1991.

MOORESVILLE FIRST BAPTIST CHURCH HISTORY

The First Baptist Church of Mooresville, N.C. was constituted July 21, 1882 with seven charter members.

The first meeting place was in a house on the corner of South Academy Street and Kelly Avenue. This was used until 1902 when the First Presbyterian Church built a new church and offered the old one, a white frame building at Church Street and McLelland Avenue. This was purchased and served until 1933, when it was destroyed by fire. The present facility was built in three phases. The middle or center part was built following the fire. The Sanctuary was added in the late 1930's and early 1940's. A second educational building was begun in 1956 and completed in 1957. The church occupied this last unit on Dec. 2, 1956. In July 1976, the church purchased the adjoining South School property. The classroom section of the school was demolished, and the cafeteria was renovated and is now the Activities Building for the church.

The church observed its 75th Anniversary with a Diamond Jubilee Celebration, July 28, 1982. The theme of which was, we commemorate the past, we celebrate the present, we consecrate the future.

Currently the total membership is 1019. The church has fully graded Sunday School Program beginning with the Cradle Roll and continuing through Senior Adults and Homebound. The music department has a graded choir program.

Fully organized WMU and Brotherhood programs are very active in the mission outreach of the church both locally, state-wide and south-wide with the individual participation in several international projects.

The current staff members are: Pastor, Dr. E. Harvey Rogers; Minister of Music, Rev. Christopher Jenkins; Minister of Education and Youth, Rev. Mark Pitts.

Mrs. Peggy Feimster, Historian

SUNDAY SCHOOL REPORT

Breakthrough: Teach The Bible To Win

The Sunday School has been challenged to experience Breakthrough in the area of Teaching Improvement in the coming year. Our scriptures speak a great deal about the importance of teaching the Word of God.

The scriptures contain numerous events where God broke through to reveal himself through the teachings of Jesus. Breakthrough: Teach The Bible To Win should challenge each of our churches to place a stronger emphasis on training for improved Bible Teaching in our Sunday Schools.

The ASSISTeam began its work with a time of Annual Planning. Planning meetings were held monthly as needed by the ASSISTeam. Members of the ASSISTeam attended training at either Cary or Ridgecrest and other training opportunities throughout the year. The V.B.S. Institute was attended on March 8 at Western Avenue Baptist Church for training associational leaders. A New Literature Workshop was conducted by the ASSISTeam on April 29 at Diamond Hill Baptist Church. A Key Leadership Conference was conducted on August 26 to assist Sunday School Leaders with Annual Planning Ideas. A special Breakthrough Training School was held for the Mocksville area churches at First Baptist Church as well as our Annual Fall Training School, both of which were most successful. The ASSISTeam also served in several individual churches for special assignments.

The association also received Standard Recognition in Sunday School Work this year.

Please contact the associational office if the ASSISTeam or any individual ASSISTeam member can be of assistance to your Sunday School Work.

Respectfully submitted,
Rev. Paul Hill, Director

ASSOCIATIONAL MUSIC REPORT

Our Associational Music program has strived to build fellowship in our association, provide leadership training, and to provide resources for our churches.

On March 4-5, the Associational Music Training School was held at Front Street Baptist Church with 56 people from 10 churches attending the choral workshop led by David Thomas of First Baptist Church, Asheboro. A similar school will be offered on March 9-10, 1992.

Children's Choir Leader Training was held at Front Street Baptist Church on August 24. The well-attended, very successful workshop was led by Dr. Betty Bedsole of The Southern Baptist Seminary in Louisville, Kentucky. Eleven churches were represented with 34 people participating.

This year's Associational Choir Festival was held at Western Avenue Baptist Church on September 22. Nine church choirs (320 voices) participated with nearly 1000 people in attendance. This is always a highlight of our association's year. Next year, the festival will be held on Sept. 27, 1992.

Plans are in the works this year for a workshop on Electronic Music in the Church. Details will be sent out to all music leaders and pastors soon.

If there is a need in your church that our associational music program can help meet, do not hesitate to call on me. To God be the glory!

CHURCH & COMMUNITY MISSIONS REPORT

Our reading program decreased slightly this year. We had 5 workshops with 42 people to enroll for the course. Mrs. Caroline Bentley taught the workshops.

We still have several non-English speaking people that are being tutored, and one of our churches offers a Sunday morning worship service for non-English speaking people.

We helped 7 churches get a $500.00 food grant from the Home Mission Board for distributing food in their communities.

We had our annual picnic for the Juvenile Court Children at the Statesville First Baptist Church Lake Lot on Lake Norman with 25 children and 6 court counselors. We served lunch and 2 snacks from 10:00 a.m. to 4:00 p.m. They also enjoyed swimming.

We also had our annual Christmas Party for the Juvenile Court Children. It was held on Dec. 18 at the First Baptist Church in Statesville. There were 24 children and 7 counselors present. Each child received a $15.00 gift, a Bible, and a delicious meal.

One of our tutors has worked this year at one of the high schools in the Extended Day Program, and we have been working with the Big Brothers/ Big Sisters Program.

Mr. Aubrey A. Walker, Director

DIRECTOR OF MISSIONS REPORT

If I were to try to describe the main purpose of an association, I would say that it is to help churches carry out their mission.

One way we do this is by providing training in many areas of church life. We have many conferences and workshops to help members be more effective in their churches. Examples of these are: Sunday School Leadership Training; Music Clinic; Brotherhood and WMU workshops; the VBS Clinic; and the Key Leadership Conference.

Another thing we do is to make available equipment and resources. Examples of this are: video tapes; filmstrips; projectors; leaflets; and other information pieces.

Yet another service we do is to provide information about denominational programs and resources: those of the state convention, the Southern Baptist Convention, the Home and Foreign Mission Boards, and other agencies.

An additional function of the association is to provide opportunities for fellowship. This involves fellowship among churches, leaders, and members. We are a family of churches on mission together. The Ministers' Conference provides a setting for fellowship among pastors and staff. And then the Annual Meeting in October is a little like a family

reunion. Fellowship is a part of working together in all the things we do as an association.

As your Director of Missions, I want to help you in anyway that I can. So do the other staff members, the officers, and the committees of the association. If we are not able to meet a particular need, we can usually put you in touch with denominational leaders who can help with that need. If you need us, call on us. And thank you all for your support of our association.

PASTORAL CARE COUNSELING CENTER OF IREDELL COUNTY
Associational Report

PAST

Sensing an urgent need for Christian counseling, often beyond the time and/or training of the local pastor, the Moderator of the South Yadkin Baptist Association, on Tuesday, October 18, 1988, was asked to appoint a 5-person committee to study the feasibility of obtaining a Christian Counselor for the association, "to work approximately 20 hours per week, with the monetary support coming from the churches". The Moderator, Rev. Gary Marshall, appointed this study-committee composed of Rev. Robert Richardson, Rev. Bruce Hancock, Rev. Paul Riggs, Dr. Jack Causey, and Dr. Ralph Carter.

From this beginning, and subsequent action by the association meeting in Annual Session, Tuesday, October 17, 1989, at the Fairview Baptist Church, (consult your Associational Annual, 1989, pps. 18-19), a part-time counselor was secured through the Baptist Hospital Pastoral School of Care in Winston-Salem. The Nominating Committee appointed a 6-person Advisory Board from the churches made up of a physician, Dr. Walt Meadors, a lawyer, Bill McMillan, Pastor Scott Eanes, Pastor and Chairman, Robert Richardson, and two ladies, Sandi Greene and Peggy Sharpe. This board would be responsible for finding office space, securing a secretary, and would be "ongoing to make the decision on the recommended counselor from the Baptist Hospital Pastoral School of Care." They would also provide oversight for the counseling ministry.

On May 7, 1990, the Reverend John B. Rowe, a graduate of the University of North Carolina at Chapel Hill, and of Duke Divinity School, was chosen to be the professional counselor for this new ministry. Mr. Rowe is a state-certified marriage and family therapist, a member of the American Association of Pastoral Counselors, and the American Association of Marriage and Family Therapists.

The Counseling Center was first located in the Fairview Baptist Church, and Mrs. Lois Wease was employed to serve as secretary.

On February 14, 1991, the South Yadkin Baptist Association signed a formal contract with the Department of Pastoral Care of North Carolina Baptist Hospital, and the Pastoral Care Foundation, Inc., both of Winston-Salem, N.C., with the association as the "Sponsor", and the Pastoral Care Department and the Foundation as the "Provider". The contract spells out in detail the respective roles, duties, and obligations of the Sponsor

and Provider parties. In general, the Sponsor provides facilities, furnishings, office equipment, supplies, support personnel, and client subsidy funds. The Provider is responsible for the professional staff, supervision, psychiatric consultation, liability insurance, records, and handles the salaries and fringe benefits.

PRESENT

The Counseling Center, now officially known as The Pastoral Care Counseling Center of Iredell County, was moved on December 20, 1990, to a new location at 1318-D Davie Avenue, Statesville (next to the Social Security Office). The phone number is 704-871-1712. Referrals can be made by pastors, family members, friends, teachers, doctors, nurses, anyone! The center is open 2 days a week: Mondays from 11:00 a.m. until 8:00 p.m., and Thursdays from 10:00 a.m. until 6:00 p.m. With adequate support, the center could add additional days and/or counselors.

The professional counseling is supported primarily by client fees, but many persons are unable to pay the full fee, and this is why our Associational Client Subsidy Funds are so urgently needed! We do not want to turn any needy client away, but our "subsidy funds" at the present time are inadequate to sustain the level of counseling assistance genuinely needed!

We appreciate the churches that have, and are, supporting the counseling ministry, and we are sensitive to the economic situation in many of our congregations. But it is obvious that we must broaden the base of our monetary support, or, curtail the number of clients who cannot pay the full fee. This alternative we find to be unacceptable, but it will be up to the association to decide. Our churches have made a solemn commitment to this ministry, and we know that you and your church will want to be a strong supporter of this Christian service.

The Associational Advisory Board was chaired by the Rev. Robert Richardson, until he left our association in June, 1991. The Executive Promotion Committee, in August, 1991, accepted the nomination of Rev. Cecil Herrin, retired Baptist pastor, to chair this board for the coming year. Sincere appreciation is expressed for all the initial planning and work done by the former chairman, his Advisory Board, the pastors, and all the laity involved. We are also grateful for the timely advise and support of our Director of Missions, and to all the churches for their participation and gifts.

To keep the Advisory Board open and representative, some members will be rotated off and new ones elected each year by action of the Nominating Committee, and the approval of the association.

FUTURE

Since the present chairman took office so near the date of our Associational Meeting, 1991, and not having the opportunity to meet with the full Advisory Board, and, in view of the fact that some members are rotated off and on at the Annual Meeting, it seemed best to wait and schedule our first full Board Meeting as soon as possible following their election at this meeting.

From the beginning it was anticipated that this would not be strictly a "Baptist" ministry, and so in view of this original intent, we would like to invite others to become acquainted with the counseling program, and perhaps gain additional support and participation. So after reviewing the history of this counseling ministry, and in consultation with the Director of Missions, the Moderator, Neil Chafin (from Baptist Hospital), and Counselor John Rowe - I would like to offer the following Recommendations to this association:

RECOMMENDATIONS

I. That the Association, acting through the Advisory Board, encourage the Counselor to continue securing the maximum that each counselee can afford, and, that once again the Association pledge their support and cooperation in this counseling ministry. We need your reaffirmation of this continuing support!

II. That the Association, through the Advisory Board, be authorized to invite leaders of selected mainline denominations - called a Board of Visitors, or some similar title - to: (1) attend our Board Meetings, (2) join in the discussions, offering ideas and suggestions, and (3) become fully acquainted with the counseling program, and commend it to their own church and denominations.

III. That having verified their interest and qualifications, we look toward electing 2 or 3 from this Board of Visitors, to serve as full members of our Advisory Board. They would be nominated by our Associational Nominating Committee and could be elected at the next Executive Promotion Committee Meeting, or Annual Associational Meeting, whichever came first.

We are at a critical, and yet promising, juncture in our Counseling Ministry. We believe these actions will revitalize our own commitment, and perhaps strengthen our base of support.

Respectfully submitted,
Cecil Herrin, Chairman
Scott Eanes
Bill McMillan
Walt Meadors
Sandi Greene
Peggy Sharpe

EVANGELISM REPORT

Just as refreshing as a newborn infant is into a home, so is a life that is born again into the church. From the fostering fires of the day of Pentecost, evangelism has been the motivation for the church's ministry. Nothing can replace the refreshing atmosphere of a new life coming to Christ in our churches. Without evangelism in our churches, they will surely be stifled by the carbon monoxide of unconcern. For a church will either evangelize or fossilize, but it will never just stabilize. Our churches will either decide to glow and grow, or they will inadvertently dry and die.

Our purpose this year as an Evangelism Committee has been to encourage evangelism in the local church. We have tried to provide each church with the opportunity of revival. Through providing volunteer speakers and singers when requested, we have tried to promote more enthusiasm in the local setting of church evangelism. Our desire was not to impose our own idea of evangelism, but to be faithful in our prayers to invoke an act of God.

In the coming year our desire is to continue to encourage the evangelical effort whenever the opportunity presents itself. Our sincerest prayer is that every church will develop a heartcry for revival, and that the spirit of soul-winning will so engulf our lives with an unquenchable desire to bring men and women to a saving knowledge of Christ.

Let us, as the churches of the South Yadkin Association, resolve to let the president rule the nation, and let congress make the laws, and let Wallstreet handle the finances, and let the movie stars have the fame, but let us commit ourselves to be soul-winners.

Respectfully submitted,
Rev. Hampton Drum, Chm.

1992 Annual

This year commemorates the 200th anniversary of William Carey's "deathless sermon." Addressing the Northampton Baptist Association in Nottingham, England, the father of the modern missions movement implored early associational leaders to accept the responsibility and seize the opportunity to share the gospel message with the world.

His message was simple yet profound:
"Expect great things from God.
Attempt great things for God."

Baptist associations were an essential force in missions advance in 1792, and today we continue to live our legacy of missions.

To the Board of Directors
South Yadkin Baptist Association
Statesville, North Carolina

We have reviewed the accompanying special-purpose Treasurer's Report of the South Yadkin Baptist Association for the year ended September 30, 1992 in accordance with standards established by the American Institute of Certified Public Accountants. All information included in this Treasurer's Report is the representation of the management of the South Yadkin Baptist Association.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The accompanying special-purpose Treasurer's Report was prepared for the purpose of inclusion in the Association's 1992 Annual, and is not intended to be a presentation in conformity with generally accepted accounting principles.

Based on our review, we are not aware of any material modifications that should be made to the accompanying special-purpose Treasurer's Report.

We, the messengers of Southern Baptist Churches of Iredell and Davie Counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie Counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or major fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

(b) All ordained ministers who are pastors therein or laboring in connection therewith.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the clerk and the treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

3. The simple majority shall prevail in all cases except as otherwise provided by this constitution, provided that any member may at any time call for a secret ballot or a roll call on doubtful issue.
4. A ruling by the presiding officer shall be final unless appeal be made from such ruling to the entire body present.
5. A question having been decided twice by a vote in the same attitude at regular sessions of the Association shall not be reintroduced at that annual session, except by the consent of the body, as expressed by a majority vote.

ARTICLE IX: TIME OF MEETING

The Association shall meet annually on the Monday and Tuesday immediately following the third Sunday in October; however, in the case of some unavoidable circumstances that make a change in the date necessary, the moderator, and/or the vice-moderator is empowered to make such a change. It shall take no action contrary to the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next Annual Meeting of the Association for appropriate consideration. It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

The Association shall have such Standing Committees as may be considered necessary to promote efficiently the work of the Association, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, and Evangelism Chairman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already been called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation. The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

8. The Committee on Evangelism. This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

ARTICLE XIV: TRUSTEES

Section 1. Three trustees shall be elected annually and they shall serve until their successors are duly elected. Vacancies occurring between sessions of the Association shall be filled by the Executive Promotion Committee.

Section 2. The trustees shall be the legal representatives of the Association in all matters relating to law, sign all legal documents as directed by the Association or by the Executive Promotion Committee between sessions of the Association. They shall have the power, to hold, buy, sell and convey property, both real and personal and to sign all papers necessary for the conveyance.

ARTICLE XV: ADOPTION

This constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

ARTICLE XVI: REVISION

A time of special recognition was led by Rev. Howard Wagoner for Mr. Aubrey Walker upon his retirement as Church & Community Missions Director for the past 14 years. A clock/plaque was presented to Mr. Walker, and he and his wife were proclaimed special guests for the entire annual meeting.

Mrs. Sandy Hyde, clerk, called the Roll of Churches. She recognized church clerks who submitted perfect 1991 Uniform Church Letters with the presentation of a framed certificate. They were: Mrs. Barbara Sprinkle, Bethel; Mrs. Katrina Millsaps, Bristol Drive; Mrs. Carol McNiel, Fairview (3 yrs.); Mrs. Marilyn Kerley, Front Street; Mrs. Versie Lee Adams, Hebron (2 yrs.); Miss Joyce Dobson, New Hope (2 yrs.);

Mrs. Masie Privette, St. Mark; Mrs. Linda Benson, True Gospel; Mrs. Anne Forsyth, Welcome. Rev. Tim Mills, Youth Committee Chairman, presented the Youth Committee Report. Rev. Eanes presented the Executive Promotion Committee Report and moved its adoption. It was adopted.

During the miscellaneous business, Rev. Henry Cook, Constitution & By-Laws Committee Chairman, made a motion of change to the constitution, Article II, Section 1 (b), which he had presented at last year's meeting. The motion stated that item (b) which reads as follows: "All ordained ministers who are pastors therein or laboring in connection therewith", be deleted from Article II: Membership of our constitution. A question was asked for what purpose was the motion. Rev. Cook explained that the item is redundant when you read the section in its entirety, because the churches are only allotted a certain number of messengers and pastors are included in that number. Therefore item (b) is not necessary. The motion was approved.

Special music was presented by Sharon Murph from Peninsula. Her selections were: "God's Love Never Changes", "Lamb of God" and "Watch The Lamb". Rev. Hager brought the afternoon message entitled "Joseph: The Dreamer" from Genesis 37:12-20. Rev. Blaine Grose, Retired Pastor, pronounced the blessing and benediction.

Monday Evening

After a delicious meal, the Peninsula Sanctuary Choir, led by Mr. Ron Touchton, provided pre-session inspirational music. Rev. Robert Lyon, Pastor of Davidson Baptist Fellowship, opened the evening session with scripture reading from Matthew 3:13-17 and led in prayer. Mr. Ron Touchton led the congregation in singing "All Hail The Power". Mrs. Sandy Hyde presented the Treasurer's Report. It was adopted. Mr. Loy Devine, Finance Committee Chairman, presented the Finance Committee Report and moved its adoption. It was adopted. Dr. Harvey Rogers, Acting Chairman of the Counseling Center Advisory Board, gave a slide presentation of the Counseling Center office and staff and presented a report. He stated that designated gifts received from the churches would go directly to help pay the client subsidy fund with the association's budgeted amount covering operating expenses. Any gifts received from the community would also go directly towards the subsidy fund. He challenged the messengers to ask their churches to put the Counseling Center in their budgets. The center's counselors, Rev. John Rowe and Mrs. Bettye Howell Briggs shared a few thoughts on the center and its work.

Mrs. Libby Correll, WMU Director, presented the WMU Report through a character monologue as a church cleaning lady. Rev. Paul Hill, Sunday School Assist Director, presented the Sunday School Report. Rev. Tony Bunton, Discipleship Training Director, presented the Discipleship Training Report. He announced that Association "M" Night with the theme "Equip All" would be held on Nov. 30, 7:30 p.m. at Diamond Hill with age group divisions, a Children's Bible Drill demonstration, a musical presentation of 4 area youth choirs, and guest speaker Mr. Maurice Cooper from the Baptist State Convention. Other dates given were: Saturday, March 20 - "Deacons Ministering in a Broken World", a deacon seminar led by Eddie Hammett from the Baptist State Convention,

starting with breakfast at 8:00 a.m. and going till noon at Peninsula Baptist Church. April 18, Associational Children's Bible Drill. Mr. Wes Lytton, Brotherhood Director, gave the Brotherhood Report and the following dates: Saturday, Dec. 12 - Iredell County Prison Christmas Party; Saturday, Dec. 19 - Davie County Prison Christmas Party.

Special music was presented by the Peninsula Sanctuary Choir, directed by Ron Touchton. Their selections were: "O Come Let Us Adore Him" Medley and a solo "I Choose Jesus" by Joe Covington. Rev. Hampton Drum, Pastor of South River, brought the evening message, "Gone But Not Forgotten" from John 14. Rev. Scott Peters led the Hymn of Commitment "Living For Jesus". The Ordinance of Believer's Baptism was observed with Rev. Robert Lyon baptizing 2 new members into the Davidson Baptist Fellowship. Rev. Wendell Davis, Retired Pastor, pronounced the benediction.

TURRENTINE BAPTIST CHURCH

Rev. Eanes called the meeting to order. Rev. Dale Parsley, Pastor at Calvary, led in scripture reading and prayer. Rev. Matt Redmond, Minister of Music & Youth at Hebron, led the congregation in singing "At Calvary". Rev. Cecil Herrin, Retired Pastor, led the Memorial Service for "Our Beloved Dead" with 173 names from 38 churches being read. Rev. Eanes recognized visitors and the host pastor, Rev. Billy J. During the miscellaneous business, Mrs. Sandy Hyde presented the Digest of Letters. Rev. Dan Freeman, Pastor of Berea, presented a motion that the new moderator appoint a 5-member study committee for changing the time of our Annual Meeting to a 1-day or a 2-night meeting to get more lay people involved. The question was asked how a 1-day meeting could get more lay people involved. Rev. Freeman answered that it could be on a Saturday. The motion passed with some opposition. Mr. Redmond led the congregation in singing "Leaning On The Everlasting Arms". Rev. Henry Cook shared that as the new Pastoral Ministries Director that he would appreciate and accept any ideas or suggestions to help him with this position and its responsibilities. Mr. Wes Lytton gave a report from South Mountain Baptist Camp for Tom Lineberger, who was unable to attend. Special music was presented by Mr. Matt Redmond. Tuesday Evening

After a delicious meal, the evening session began with Dr. Harvey Rogers, Vice-Moderator, presiding. Rev. Robert Garrett, Minister of Youth & Education at Beulah, led in scripture reading from Hebrews 12: 1-2 and prayer. Special music was provided by "Proclaim". Their selections were: "Send Us To The World", "Going Home" and "We'll Stand Together". Rev. Hager gave the Director of Missions Report. Rev. Hampton Drum, Evangelism Committee Chairman, gave the Evangelism Committee Report. Rev. David Turner, CCM Study Committee Chairman , brought a

report from the committee. They have been visiting neighboring associations to see what our association might need in this position. They discovered a wide variety of ministries, job titles and responsibilities. Rev. Turner presented a printed copy of Strategy Planning Guidelines which will help to get the study started to build the staff around the association's needs. During this study Bobby Stafford or another convention leader will come to help out with discovering the needs and to look 5-7 years into the future of the association. This will be done through a contract with the Baptist State Convention. The only costs will be food and housing for approximately two weeks for the coordinator. The coordinator will meet with each church and its key leaders and compile the information into 20 - 25 priorities from the churches. The key leaders of the association will go on a retreat with the coordinator and look at these priorities to decide the top 5-10 and present them to the Association's Executive Committee Meeting. Rev. Turner made a motion that the association set aside $500 to begin this study. The motion was seconded, and Rev. Turner spoke to the motion stating that the study would begin by the first of the year with the association's key leaders to oversee and report to the Executive Promotion Committee Meetings. Rev. Hampton Drum asked if the evaluation would look at all areas of needs presented by the churches. Rev. Turner answered yes that the association's key leaders and the coordinator will look at the needs and prioritize them from what was discovered through the meetings with the churches. The motion was passed with little opposition. Rev. Turner made a motion to allow those currently working with the Literacy Program and the Christian Social Ministries Committee to form a CCM Council with the Director of Missions to plan, promote, meet as needed and involve other people to continue the ongoing work as it is right now. The motion was approved. Rev. Eanes entertained a motion to continue the present CCM Study Committee to keep the forward progress of this work until it all gets started. Rev. Freeman moved the motion. It was approved.

Rev. Freeman, Committee on Committees Chairman, moved the adoption of the Committee on Committees Report. It was approved. Rev. Dale Ellis, Nominating Committee Chairman, moved the adoption of the Nominating Committee Report noting 2 additions to the Counseling Center Advisory Board by request from the board in order to have sub-groups. It was approved. Rev. Bobby Sanderson, Resolutions Committee Chairman, presented 2 resolutions for adoption: the first stating appreciation and thanks to the host churches and the second stating that the messengers return to their fields of labor renewed and blessed by their fellowship together. They were approved.

Rev. Carl Williams, Place & Preacher Committee Chairman, presented the Place & Preacher Committee Report as follows:

ANNUITY BOARD REPORT

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

New medical plans will be offered on January 1, 1993, as options to help address the affordability issue.

The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

As of May 1992, 34,571 persons were participating in the Church Annuity Plan. This is the highest number of members in the history of the Plan. The number of churches involved was 19,930.

Eligible participants in the Church Annuity Plan benefit in five significant ways.

1. The Plan includes a Protection Section that covers disability and death. In 1991, 252 families received disability checks from the Plan, and 60 families received well over $1,000,000 in survivor benefits. Additionally, they received the full value of the deceaseds' retirement accounts. All of these protection benefits are free to the members. They are funded by state convention Cooperative Program dollars.

2. The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. In 1991, the Variable Fund credited 28.3% earnings and the Balanced Fund credited 22.4%.

3. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax for Social Security on contributions to the Church Annuity Plan. These advantages exceed those offered by IRAs.

4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to $210 per year resulting in higher benefits at retirement.

5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a five percent increase was applied to Plan A and defined contribution funded annuities. This brings Plan A increases to 222% of what was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advantages, your association is encouraged to lead every church to participate in the Church Annuity Plan.

The Annuity Board is celebrating 75 years of keeping the confidence of the people we serve. Our ministry continues to be "Serving Those Who Serve the Lord".

BAPTIST CHILDREN'S HOMES REPORT

Like a marathon runner, Baptist Children's Homes of N.C. (BCH) "hit the wall" in 1991-92, but presevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A State Champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most ofter a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which

leads to behavior change and often. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

The Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

BAPTIST FOUNDATION, INC. REPORT

The North Carolina Baptist Foundation is committed to generating an increased awareness of Christian estate stewardship as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1991: $ 1,100,606

Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991: $ 1,062,643

Total market value of Foundation assets, 12/31/91: $36,283,384

The Foundation staff and operations are housed in a building adjacent to the Baptist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about 4 years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table 6 to 8 feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

BAPTIST HOSPITAL REPORT

Baptist Hosptial utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The Air-Care helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in its rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Sticht Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Respectfully submitted,
Pat Ellis, Representative

BAPTIST RETIREMENT HOMES REPORT

1992: Making Life For Older Adults The Best Of Times

The fastest growing segment of North Carolina Baptist life is those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes.

Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best.

In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville ... a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly ... the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

BIBLICAL RECORDER REPORT

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

BROTHERHOOD REPORT

South Yadkin Baptist Men and Boys have been active in mission involvement in 1991-92. Men and Boys from our churches have volunteered their talents, time and money "Helping Others in Jesus' Name" and have enjoyed fellowship with one another by participation in Local, State, Home and Foreign mission projects and events.

This year's Associational Brotherhood Workshop was held at Western Avenue Baptist Church on October 28, 1991. (The workshop for this year is scheduled at Western Avenue for November 3 from 7:00-9:00 p.m. Information and training will be offered for leaders and officers of RA's and Baptist Men.)

Royal Ambassadors and High School Baptist Young Men and Baptist Young Men have been involved in missions and fellowship this year. An Associational Lad, Crusader and Dad Mission Fair and Car Derby was held in May at Peninsula Baptist Church under the direction of Jerry Kelly, our Associational RA Director. Trophies and ribbons were awarded to winners and were provided by our Associational Brotherhood. Our boys and young men formed a basketball league and enjoyed fellowship with one another. They were led by our Associational Interest Activity leaders and RA and HSBYM Counselors. A team of High School Baptist Young Men were led by Bob Foy in a mission-work project to the Dominican Republic. Boys also enjoyed Crusader Congress and Pioneer and HSBYM Congresses this year, as well as participation in their local churches.

Baptist Men and their wives have been involved in activities ranging from service in their own fellowships to work in West Virginia and New York. Our Associational Brotherhood hosted Marek Glodek, one of 22 Baptist Polish Pastors who visited North Carolina April 26 - May 2, 1992. Marek stayed in homes of our Baptist Men. He visited and spoke at the Iredell County Prison, Bethel Baptist, Beulah Baptist, Turrentine Baptist and Peninsula Baptist Churches. The 22 pastors met at Shoney's to depart on their journey back to Poland on May 2. Marek's expenses were paid by love offerings from our churches and individuals. His visit culminated three years of partnership between North Carolina Baptist Men and Polish Pastors.

An outline of activities of South Yadkin Baptist Men for 1991-92 is as follows:

1. LOCAL MISSIONS

   Workday at Associational Office - August 1991, work on shrubs, etc.

   Yokefellow Ministries - Men meet the second Saturday of each month in the fall and winter months for wood cutting and splitting to help needy people in our area. Three hydraulic woodsplitters are used. J.D. Waugh has led this work.

   Teen Challenge - Men have been working on the fourth Saturday of each month to assist Teen Challenge with remodeling and other needed work at the center, located in Harmony. Clarence White has led this work.

   Jail Ministry - The purposes of our jail ministry are (1) to establish relationships with inmates, (2) to share the gospel of Christ, and (3) to provide spiritual support and encouragement to those trying to serve Christ, according to Carl

Wright, one of our Baptist Men who serves in this ministry each Saturday morning from 8:30-11:30 a.m. Others serving were Cloyce Matheny, Clarence White, David Rinehardt and Willie Buckner among others. Men share testimonies in Bible studies. Tracts and booklets provided by our Brotherhood are given out, as well as New Testaments provided by the Gideons.

Prison Ministry - Every Sunday morning worship services are held at our Iredell County Prison Unit from 8:00-9:00 a.m. D.W. Goforth, Carl Wright and others lead in worship. Area pastors preach every Sunday. Prisoners take part. David Damron has served as volunteer Chaplain this year. Sunday School is held at 9:00 a.m. Christmas parties were co-sponsored by Baptist Men and WMU. Christmas cards, postage, cookies and fruit were provided by our Baptist Men and the WMU. Drinks were given by McDonalds. A party was held at both Iredell and Davie County Prisons. One hundred and twenty inmates attended from the prison units. (Sunday School has been taught by Cecil Combs from Hebron Church.)

Habitat for Humanity - Help has been given by our men in construction of local habitat houses this year.

Truck Stop Ministries - Three truck stop ministries have been sponsored by our Baptist Men this year. Tract racks are stocked with both English and Spanish literature and new Testaments. Bud Carrigan assists with the truck stop at I-77 in Troutman. Also, truck stops in Mocksville and Statesville at I-40 and Stamey Farm Road are being served by our Baptist Men, with Sunday morning and evening services held at Homer's Truck Stop each Sunday at 11:00 a.m. and 5:00 p.m.

2. STATE MISSIONS

Jay Liles, Homeland Projects Coordinator, assisted the team.

CHRISTIAN ACTION LEAGUE REPORT

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing).

The industry made its biggest push ever during the 1991-92 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the N.C. House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3rd at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION...Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.

2. ABORTION...The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed--leaving this up to the states. This year we have worked on trying to get legislation passed requiring parental consent for abortion on minors, and reducing abortion funding. Both of these measures passed in the House but died in the Senate.

3. ALCOHOL/DRUG ISSUES...It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

DIRECTOR OF MISSIONS REPORT

This year marks the 200th Anniversary of William Carey's famous sermon. Carey attended school only until the age of 13 and then became an apprentice to a shoemaker. He was converted at age 18 and soon thereafter became a Baptist preacher. He was intensely interested in the great commission and often talked about his interest to others. At an associational meeting in 1789 the Moderator, John Ryland, Sr., said to Carey "sit down young man..., if God wants to save the world he will do it without any help from you." In May 1792 it was Carey's turn to preach at the Northampton Baptist Association meeting in Nottingham. His text was Isaiah 54:2-3, and his theme was "Expect great things from

God; attempt great things for God." The following October, 12 ministers met in a little breakfast room at Widow Wallis' cottage in Kettering. They formed "The Particular Baptist Society for Propagating the Gospel Among the Heathen" (later changed to "Baptist Missionary Society").

This young man with limited schooling learned Greek, Hebrew, Latin, French and Dutch. His interest in plants led him to become an expert in Botany. The Society turned to him as its first missionary to India. Carey spent 39 years in India using his language skills to translate the scriptures and open doors. His skill and fame as a Botanist also helped open doors. He never returned to England. He has become known as the "Father of the Modern Missions Movement."

The association was the setting where God moved to launch the movement of the Modern Missions Movement. The associations and missions - from local to worldwide - have been closely entertwined ever since. We need to keep alive the heritage of leaders such as Carey.

For years retirement was something that was a dim, distant event in the future. Since I was in the Annuity Board Program and Social Security to prepare for that far-off event, it required little additional thought or attention.

During the past 3 or 4 years I became aware that it was no longer over the horizon in the distant future. It is only a few months away: July 1, 1993.

I am announcing it now so that you may elect a search committee and a study committee. This is a good time to consider plans the association may need to make and directions in which it will need to move. This should be done before calling your next Director of Missions. You will need to share your expectations and dreams with him.

Again, many thanks for your friendship and support.

Respectfully submitted,
Gene Hager, Director of Missions

DISCIPLESHIP TRAINING REPORT

On February 25, 1992 at Front Street Baptist Church the South Yadkin Baptist Association hosted the regional study for 1992, "The Doctrine of the Bible", a tremendous book written by Dr. David Dockery on the faculty of Southern Baptist Theological Seminary. There were classes for Preschool, Children, Youth, and Adults with the session being led by Dr. Donald Atkinson, Baptist Sunday School Board, Nashville and Maurice Cooper, Director of Discipleship Training, Baptist State Convention.

Western Avenue hosted the conference, "Discipling Deacons" on March 17, 1992. Mr. Eddie Hammett, Associate Director of Discipleship Training, Baptist State Convention, led the conference with the subject "Spiritual Deacons". He did an outstanding job. We had 115 people present with 17 churches from the South Yadkin represented. The conference was received so well that we were asked to make arrangements for another one next year. We are in the planning stages now.

The Associational Children's Bible Drill was held at Front Street on April 12, 1992. We're very proud of Diamond Hill and Front Street who took advantage of the great opportunity to train their children and youth in the Bible Drill. Participants from Diamond Hill included, Stephanie Brawley, Crystal Lambert, Tamara Riddle, Brandon Sherrill , Bryan Sherrill, and Alan Williams. The church Bible Drill Leader was Stacey Greene. Participants from Front Street included, Sara Alford, Alaina Dellinger, Erica Hancock, Melissa McLelland, Stacey Pope, Tuesday Adams, Emmy Fox, and Meredith Hancock. The church Bible Drill Leaders were Elaine Pittman and Pat Hancock. All the children advanced to the State Bible Drill, and we were well represented.

A special thanks to Pat Hancock, Pamela Bunton, Philip McGaha, and Robert Jackson who served on our Associational Discipleship Training Team.

EVANGELISM REPORT

It has been refreshing for me in the last two years to chair the Evangelism Committee and to see the commitment and enthusiasm from the individual pastors and churches for the evangelization of Statesville. Many of you have expressed your concerns to me for the lost masses. As well you have responded enthusiastically to some of our committee's ideas. I am grateful for your support and hope you will continue your support after my tenure.

In cooperation with the Youth Committee, we were able to have Ken Freeman come for a Family Crusade. We experienced a wonderful outpouring of the Holy Spirit, and many souls were saved. In 1993 there will be a Dave Roever Crusade here in Statesville. This is a crusade that has been planned by a committee outside of our association, but has involved many of our local Southern Baptist pastors. I have helped solicit funds to help in this effort. I would like to encourage you, as an association, to support the crusade.

I would like to thank you for the opportunity to chair this committee. I hope that the South Yadkin Association will always be an association excited about evangelism. God bless you as you endeavor to accomplish God's will in your personal and pastoral ministries.

Respectfully submitted,
Rev. Hampton Drum, Chairman

EXECUTIVE PROMOTION COMMITTEE REPORT

The average attendance was 31 and the average number of churches represented was 17. At each meeting reports from organization leaders, various committees and our Director of Missions were heard. There was also a time at each meeting where prayer requests were shared and various announcements were heard.

During each of the meetings various ministers shared devotional thoughts and led in prayer.

2. A motion was made and approved to cover the increases in the cost of the associational staff's insurance coverage.
3. A motion was made and approved, after some discussion, to establish a study committee to consider the future of the CCM position in our association. The Moderator appointed the committee as follows: Rev. David Turner, Chairman; Mrs. Patsy Lytton; Rev. Bill

Mason; Mrs. Phyllis Foy. A motion was also made and approved that this committee be reimbursed for expenses in their study.

The Executive Promotion Committee has served its purpose well this year. We have seen a greater interest in attendance and business conducted. It has been a challenge and a growing experience for me, but it has been an honor and a privilege to serve the good folks of the South Yadkin Association.

May we continue to see interest and enthusiasm grow concerning the ministries and work of our association.

Rev. Scott Eanes, Moderator

HISTORY OF PENINSULA BAPTIST CHURCH

Peninsula Baptist Church began as a mission of Southside Baptist Church in Mooresville. On Sunday, October 17, 1982 at 10:00 a.m., the first worship service was held in the South Iredell Lions Club building. Rev. Jack Mansfield, pastor at Southside, led the service. During the first year the worship service attendance averaged 47 while Sunday School averaged 26. In August 1983 the present property of 10 acres was purchased from S & R Real Estate of Salisbury. During the morning worhsip service on October 16, 1983, Rev. Robert Jackson was called to serve as the pastor of Peninsula. January 8, 1984, Peninsula was constituted as an autonomous Southern Baptist Church in full cooperation with the South Yadkin Baptist Association and the Southern Baptist Convention. A building committee was chosen in May 1985, and the process of developing plans for a new facility was begun. A capital funding campaign, TOGETHER WE BUILD, was conducted, and $101,000 was pledged over a three year period. Ground-breaking for the building was held in December 1985, and $325,000 in bonds were sold to help provide financing. The new building was dedicated October 19, 1986 with 188 people in attendance.

In 1988 a long range plan was approved by the church. This plan included recommendations: (1) That construction of an education and fellowship building be given high priority, (2) That the need for a full-time Music Minister be considered, (3) That a mission church be established in our area, (4) That our youth ministry be strengthened, (5) That a senior adult ministry be developed, (6) That a weekday preschool program be considered. The first five of these recommendations have been implemented, and presently (church year 1991-92) a new Long Range Planning Committee is developing plans for the next five years of ministry. In August of 1991 a new education and fellowship building was completed providing nearly 10,000 square feet of additional space. During this same church year an additional worship service was added at 8:45 a.m. each Sunday. In May 1992 our auditorium was expanded to provide additional seating for the 11:00 a.m. worship service. As we celebrate 10 years of ministry in the fall of 1992 our church has a full range of ministries including Sunday School, Music Ministry, Baptist Men and Women's Missionary Union. Peninsula continues to reach out into the community providing a loving and caring home for an ever-increasing church family.

HISTORY OF TURRENTINE BAPTIST CHURCH

Turrentine Baptist Church is located southeast, 4½ miles from Mocksville off Highway #64 East or Highway #601 South. The church was organized in November 1913 in the old Turrentine Schoolhouse. The present church building is located about 200 yards from where it was organized.

Rev. J. Adam Grubb was called as the first pastor with a membership of 9. Over the years Turrentine has had 17 pastors and now has a membership of 325 with receipts of over $102,000 of which over 12% goes to missions.

In 1978 a ground-breaking service was held to build a new auditorium and classroom building. This new building was completed, and the dedication service was held on August 5, 1980. The debt was retired in September 1990, and a special note-burning service was held on January 13, 1991 to give thanks to God for His many blessings upon this church family.

Turrentine Baptist Church is a Southern Baptist Church and a member of the South Yadkin Baptist Association that believes, teaches and practices missions. The Word of God is our guide in all matters. It is taught as the Inspired Word of God in our Sunday School and worship services. We are a friendly church that loves people, and our goal is to win the lost to Christ and teach them to grow in the grace and knowledge of our Lord Jesus Christ. Pastor Billy Sloop and members invite you to worship with us when in our area.

ORDINATION COMMITTEE REPORT

The committee examined one man, Chris Williams, in December 1991. The committee unanimously recommended him for ordination at Edgewood Baptist Church.

PASTORAL CARE COUNSELING CENTER ADVISORY BOARD REPORT

Our Pastoral Care Counseling Center began operating in May, 1990. A formal contract with the Department of Pastoral Care at the N.C. Baptist Hospital was signed on February 14, 1991. (See 1991 Associational Annual, pp. 43-45, for more details.)

The Pastoral Care Counseling Center of Iredell County, (not to be confused with the "Counseling Center of Iredell", which is another counseling ministry offered in our area) is professional counseling

from a Christian-oriented point of view - and is staffed by the highest caliber personnel! The office is located at 1318-D Davie Avenue in Statesville, and the telephone number is (704) 871-1712. It is staffed by two professional counselors: The Reverend John B. Rowe, a certified marriage and family therapist, and Mrs. Bettye Howell Briggs, also a certified marriage and family therapist.

Mrs. William (Lois) Wease is the very capable secretary of the Counseling Center, and is now being assisted by Mrs. Blaine (Bobbie) Grose.

Referrals can be made by pastors, family members, physicians, friends, teachers, nurses, etc. The center is open two days a week: Mondays from 9:00 a.m. - 8:00 p.m., and Thursdays from 9:00 a.m. - 6:00 p.m.

The association is responsible for the expenses of providing the office and a secretary/receptionist. Also, we are responsible for supplementary client aid funds for those who cannot pay the full fee. Ideally, the clients themselves would pay the bulk of the counseling fees for the services they receive. But many clients are unable to bear the full cost (which is substantially below fees charged by secular counselors). Our "subsidy fund" allows many to receive the level of counseling genuinely needed! Needy clients are not turned away, and it is through the generosity of our association, and several churches that support the ministry over and above the amount budgeted by the association, that makes this mission ministry possible.

The Advisory Board of our association is exploring ways of supplementing this "subsidy fund", and we need the help of more of our churches, and personal donors for this ministry. Several of our churches give a one-time donation yearly, and several others give on a monthly basis. This additional help is greatly appreciated and, at the present time, most vital in helping needy clients receive a much-needed service. But we definitely do need a broader financial base, so please remember that this is an important "mission" project right here where we live! And thank you again for what you are doing!

The Associational Advisory Board is elected each year by action of the Nominating Committee, and the approval of the association. Because of health reasons and other responsibilities, the Reverend Cecil Herrin felt the need to resign as Chairman of the Advisory Board in May, but remained as a member of the board. Dr. Harvey Rogers, Jr. was approved by the Executive Promotion Committee as Acting Chairman. Some members will be rotated off each year and new ones elected as the need arises. Peggy Sharpe and Sandi Greene will rotate off this year, and we are extremely grateful to these ladies for their positive contributions to this important work. We are also grateful for the support of our Director of Missions, Gene Hager, and his continuing counsel and advice.

The board feels that we are very fortunate to have the services of our two professional counselors: John Rowe and Bettye Howell! Eminently qualified by character and training, they are professionals in every sense of the word! With a calling and passion to help people untangle their twisted lives within a Christian context, they offer a pastoral ministry beyond that which most of us could render. They want to see

this ministry mature and expand, so let us all join hands and hearts, talents and skills, prayers and support - that the purposes and dreams for this service will bear fruit and fulfillment in human lives.

Respectfully submitted,

Dr. Harvey Rogers, Jr., Chairman
Mr. Bill McMillan

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Greetings from South Mountain. This past summer there were 1,299 attending our regular camps. This was an average of 144 per week. Of this number there were 58 young people asking Jesus into their hearts. There were 111 youth and adults that rededicated their lives to a closer walk with the Lord. Also there were 15 making other decisions. That is a total of 184 decisions for the camps we conducted. The week that the Methodist leased the camp they reported 60 additional decisions. We praise the Lord that He is still using the camp to reach youth with the wonderful gospel of Jesus. Our total number of youth attending camp this past summer that were unsaved was down. We need to encourage our churches to bring youth in their areas that are unsaved. There is no better way to reach young people for the Lord than at Camp.

Overall we had a good summer season. We had a good group of staff this past summer. Many of them were young, and this was their first summer working at camp or anywhere. We need to be much in prayer for the Lord to make it possible for us to have more leadership for our staff during the summer. We also will be discussing the need for other part-time, or possibly full-time personnel to help with the year 'round operation of the camp.

This year was also somewhat draining financially. Three things were very costly that were not included in the budget this past year. The addition of an outdoor worship area near the basketball court. Lumber was bought for the benches and raised lectern. Two items had to be purchased for the kitchen, a deep fat fryer and an ice maker. These items have been needed for some time, but we have just been trying to "get by". The cost for these items was around $2,500.00 and between $800.00 and $900.00 for the outdoor chapel.

Because He Lives,
Tom Lineberger, General Manager

STEWARDSHIP/COOPERATIVE PROGRAM REPORT

There was one Associational Stewardship event held this year in the South Yadkin Association. On May 28, 1992 Mr. Talmadge Williams, from the State Convention Stewardship Division, led us in a Bold Missions Stewardship Conference. This meeting was held at Quincy's Steakhouse in Statesville. Packets of Stewardship Resources and materials were given to each participant.

Our State Convention's Stewardship Division is a great resource for any materials or help needs in the area of Stewardship Education as well as help and information on the Cooperative Program.

As of June 30, 1992 our total Associational gifts to the Cooperative Program were $13,386.82 higher than this time one year prior.

My wife and I are available to lead Christian Money Management Workshops, and if I can be of any help to you or your church in Stewardship or Cooperative Program Education please feel free to contact me.

SUNDAY SCHOOL REPORT

BREAKTHROUGH
"Equip to Win"

The theme for the Sunday School Year 1992-1993 is "Equip to Win". Our ASSISTeam is organized and trained to help you to equip your Sunday School Leadership.

Planning meetings were held monthly as needed. Members of the ASSISTeam attended Ridgecrest in February for training. The State VBS Clinic was held in Lenoir in March, where team members were trained to lead our Associational VBS Clinic. Our Annual Fall Training School was held at First Baptist Church in Statesville in September. The Teaching People the Bible Series was taught. Several churches observed preparation week in September.

A Fall Training School was also held at First Baptist Church in Mocksville for churches in that area. This school has proven very successful for our churches in that area.

The ASSISTeam also served in several individual churches during the year as invited.

YOUTH COMMITTEE REPORT

The 1991-92 Associational year got off to a slow start, but I am thankful in the way that it ended. Thanks to Philip McGaha, Tom Baker, and Mike Williams; it was a successful year. The committee is designed to serve as both an encourager and helper for local churches as it offers a variety of ministries.

Our main project for the year was the "Save The Family Crusade" with Ken Freeman. The rallies, the 4 night crusade, plus getting into 3 schools has made a difference in many young people's lives. Between 2 and 3 hundred decisions were recorded and followed-up on. The plans for a radical weekend are in the planning stages for January 1993.

Until He Comes,
Tim Mills, Chairman

RESOLUTIONS COMMITTEE REPORT

Whereas, we, the South Yadkin Baptist Association have met with the Peninsula Baptist Church and the Turrentine Baptist Church for our one hundred and nineteenth session and whereas these churches have prepared delicious meals, provided comfortable facilities and gracious hospitality, we express our thanks.

Whereas, the one hundred and nineteenth annual session is drawing to a close, we resolve therefore to return to our fields of labor, with a renewed spiritual attitude, having been blessed by our fellowship together.

Respectfully submitted,
Rev. Bobby Sanderson, Chairman

SOUTH YADKIN STRATEGY PLANNING

A PROPOSAL FOR 1993

Associational Strategy Planning is a process by which an association determines its mission, identifies its objectives, and sets its course of action within its unique situation.

Strategy Planning is usually done about every three to five years. Change is taking place so fast in North Carolina that it is almost impossible to predict the future for more than five years.

A STRATEGY PLANNING PROCESS

1. The process begins by the association voting to do a strategy planning process.

2. A steering committee of three persons are elected to steer the process. This committee usually requests training from the Baptist State Convention.

3. The steering committee locates persons who will serve on the various task groups which will be locating information about the community and the churches. The task groups are:
   - Mission Statement task Group
   - Publications Task Group
   - Church Study Task Group
   - Associational Organization Study Task Group
   - Population Study Task Group
   - Social Systems Task Group
   - Other Religious Groups Task Group
   - Associational Resources Task Group

4. Once the Task Group Chairpersons and members are located, they are trained by a State Approved Consultant.

5. A retreat is scheduled in which the Task Group findings will be used to determine the objectives, goals, and action plans which the association will engage in for the next three to five years.

6. The Association then votes to accept the challenge of the future.

PROPOSED RESULTS

- The association is better equipped to support the churches in the reaching people business.

- The association has a clear and concise direction for the future that is based on current, factual information which will determine the use of our resources for the next three to five years.

To the Board of Directors
South Yadkin Baptist Association
Statesville, North Carolina

We have reviewed the accompanying special-purpose Treasurer's Report of the South Yadkin Baptist Association for the year ended September 30, 1993 in accordance with standards established by the American Institute of Certified Public Accountants. All information included in this Treasurer's Report is the representation of the management of the South Yadkin Baptist Association.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The accompanying special-purpose Treasurer's Report was prepared for the purpose of inclusion in the Association's 1993 Annual, and is not intended to be a presentation in conformity with generally accepted accounting principles.

Based on our review, we are not aware of any material modifications that should be made to the accompanying special-purpose Treasurer's Report.

We, the messengers of Southern Baptist Churches of Iredell and Davie Counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie Counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or major fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, and Evangelism Chairman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already been called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation. The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

8. The Committee on Evangelism. This committee shall cooperate with the Baptist State Convention and the Southern Baptist Convention Departments of Evangelism in the promotion of approved evangelistic efforts within the Association. It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

This committee shall have the responsibility for securing and dismissing all staff personnel, with the exception of the Director of Missions and the Director of Christian Social Ministries.

ARTICLE XIV: TRUSTEES

Section 1. Three trustees shall be elected annually and they shall serve until their successors are duly elected. Vacancies occurring between sessions of the Association shall be filled by the Executive Promotion Committee.

Section 2. The trustees shall be the legal representatives of the Association in all matters relating to law, sign all legal documents as directed by the Association or by the Executive Promotion Committee between sessions of the Association. They shall have the power, to hold, buy, sell and convey property, both real and personal and to sign all papers necessary for the conveyance.

ARTICLE XV: ADOPTION

This constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

ARTICLE XVI: REVISION

Monday, October 18, 1993

The 120th session of the South Yadkin Baptist Association met on Monday, October 18, 1993 at Fork Baptist Church in Mocksville, with Rev. David Turner, Moderator, presiding. There were 37 churches represented and 241 in attendance including 68 workers and visitors. The opening hymns, "All Hail The Power of Jesus Name" and "Praise Him, Praise Him" were led by Rev. With the motion and second coming from the committee, these were approved by the body.

Special music was presented by Susan Seaford from Fork. Her selections were, "In The Name of The Lord" and "Midnight Cry". 1993 ASSOCIATIONAL REPORT

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
PO BOX 338 • THOMASVILLE 27361-0338 • (919) 472-1000

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers... and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast... and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1992:	$1,182,203.
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

Meeting the Challenges of Health Care

1993 Report to the associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

1993: THE BEST OF TIMES

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65)

That one-half of all the people who have ever lived to be sixty-five (65) are now living

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the qualify of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993 . . . The Best of Times.

Thank you North Carolina Baptists for your support!

William B. Stillerman, President

THE BIBLICAL RECORDER

Associational Report--1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

REPORT TO THE ASSOCIATIONS
1993

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, N.C. Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the N.C. Christian Coalition.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to re-group their supporters. Also it will give concerned Christians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

The League continues to assist local communities in combating our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,

Joe S. Lennon,
President

HOME MISSION BOARD, SBC

Christ for Our Nation

1992 ANNUAL REPORT

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled $37.61 million, up almost 6 percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

Chaplaincy Ministries--The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.
Alternatives to Abortion--Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.
Church Loans--More than 1,100 churches had active loans totaling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased 9 building sites.
Language Missions--Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.
Personal Evangelism--During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.
Prayer and Spiritual Awakening--A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.
Volunteers--Over 71,000 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.
Special Ministries--Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

DISCIPLESHIP TRAINING REPORT

The past year has been one of change in the area of Discipleship Training. Rev. Tony Bunton was serving as Discipleship Training Director until he accepted the pastorate of a church in another association. Tony was of the utmost importance to this area of associational ministry. A special thanks is extended to Tony for re-instituting "M" Night in our association. Our sincere appreciation is given to Tony and Pam for their leadership.

The events sponsored by the Discipleship Training Ministry were, "M" Night, Bible Drills, and Deacon/Spouse Workshop.

Another area of change was the selection of Rev. Jack Franks, Pastor of Hebron Baptist Church, as the successor to Rev. Bunton as Director of Discipleship Training for the Association.

And still another area of change is on the state level. The state Discipleship Training Department is approaching this area of ministry with the theme of equipping the saints to do ministry. They recognize that this is a primary deficiency in the life of most churches. To simply learn and know the right things to do is not enough; to learn, know, and do is the goal.

I trust that this new church year will embrace the beginning of new Discipleship Training ministries in churches without D.T., and growth in both enrollment and attendance for those churches who do discipleship training.

Training As We Were Taught,

PASTORAL CARE COUNSELING CENTER ADVISORY BOARD REPORT

This past year has proven to be a time of blessing and opportunity. The Counseling Center is continuing to meet the great need for pastoral counseling in our area; also the hours continue to increase reinforcing the need for this ministry in our area. Referrals from pastors within our association and referrals from other professionals in the Statesville area continue to increase. The numerous referrals reinforce the fact that the counseling center has a reputation of offering quality counseling where religious faith is honored and encouraged.

It is also a blessing for the Advisory Board to work with the center's staff. John Rowe, the counseling center director, and Bettie Howell are now working along with Gary Cling. Gary has been added to the counseling staff in order to help with the increased counseling load. Bobbie Grose and Lois Wease continue to serve well as secretaries.

Due to uncontrollable circumstances the center has had an opportunity to change locations. The James Iredell Building downtown Statesville is our new home. On the positive side, the new facility is more accessible to clients and the office lay-out is more conducive to the privacy of a counseling ministry.

The South Yadkin Baptist Association is fortunate to have a major part in this ministry. The association is responsible for the expenses of providing the office and a secretary/receptionist. Also, we are responsible for supplementary client aid funds for those who cannot pay the full fee. Ideally, the clients themselves would pay the bulk of the counseling fees. But many clients are unable to bear the full cost (which is substantially below fees charged by secular counselors). Our "subsidy fund" allows many to receive the level of counseling genuinely needed! Needy clients are not turned away, and it is through the generosity of our association, and several churches that support the ministry over and above the amount budgeted by the association, that makes this mission ministry possible.

The Advisory Board of our association is exploring ways of supplementing this "subsidy fund", and we need the help of more of our churches, and personal donors for this ministry. Several of our churches give a one-time donation yearly, and several others give on a monthly basis. This additional help is greatly appreciated and, at the present time, most vital in helping needy clients receive a much-needed service. But we definitely need a broader financial base, so please remember that this is an important "mission" project right here where we live! Thank you again for what you are doing!

W.M.U. REPORT 1992-93

"Lead On"

"Be determined and confident, for you will be the leader of these people as they occupy this land." Joshua 1:6A (TEV)

"Lead On" in study, involvement, sharing the love and witness of Christ. We in the WMU try to be a part of the love of Christ as we minister and witness in the following ways:

The month of October began with filling the needs of Fifth Street Ministry with furniture, clothing, personal needs, love of Christ, money.
November found the Acteens having a Studiact workshop and World Day of Prayer. Baptist Women also observed the World Day of Prayer at Western Avenue at noon and Berea at 7:00 p.m.
GA's had a Mission Adventure Workshop at Front Street for grades 1-3. Many churches helped with the Christmas needs at the Women's Prison in Raleigh by giving money.
December found the WMU's busy with baking cookies for the prisons in Iredell and Davie Counties for their Christmas parties sponsored by the Brotherhood.
January found the Baptist Young Women having a workshop on Sanctity of Human Life at Diamond Hill. GA's had a Mission Adventure Workshop at Front Street for grades 4-6.
February found the WMU's and pastors having a Book Study "With A Servant Heart" led by Rev. Henry Cook.
April found Baptist Women having a Baptist Woman for a Day Banquet at Southside. Baptist Women from each church recognized one Baptist Woman within their church for their dedication and work within the organization.
May found the Associational WMU having their Annual Meeting at Mocksville First with Rev. Ron and Mrs. Lois Morgan, Home Missionaries to West Virginia as guest speakers. Pastor/Staff family dinner was held at Beulah Baptist in May also. GA Day Camp was held at Lakewood Park from 9:00 a.m. to 1:30 p.m. "Linked by Love" was the theme.

ORDINATION COMMITTEE REPORT

The Ordination Committee met on three occasions to examine:

(1) Darren Johnson, at the request of Western Avenue Baptist Church;

"YOUTH COMMITTEE REPORT"

The Youth Committee wants to thank all the Pastors, Youth Pastors, and Youth Workers for your hard work this year. Through your efforts of promoting and bringing your young people, there have been a total of 27 professions of faith in Christ. There are possibly more that have not been recorded. We, as a committee, believe this to be a successful year.

January 15 & 16 "Radical Weekend" was held at Western Avenue with 450 - 500 in attendance. In March an Associational Youth Rally was held at Beulah Baptist. Barry Mason an ex-outlaw motorcycle gang member, demonstrated how Christ could change anyones life and what a life of rebellion would result in. September 11 provided a kick off and a celebration time for the national" True Love Waits Campaign" which challenges young people to keep themselves sexually pure until entering in a marriage relationship. On September 15 youth gathered at our local middle schools and high schools for a time of prayer for our schools, teachers, administration and our nation. The "See You At The Pole" campaign was led in this area by many of the youth ministers and youth workers.

Our youth are precious in God's sight. We thank you for having the vision for them. Your prayers and support have made a difference in many a youth. The impact will only be revealed when Jesus returns. Next year opportunities will be even greater. Please take advantage of them and pray for this committee.

Until He Comes,

Your Servants,

BROTHERHOOD REPORT

During 1992-93 the men and boys of our association have been on mission for Christ in many areas. Activities have ranged from church projects to overseas projects. We are truly thankful for every man and boy.

An Associational Brotherhood Workshop was held for the benefit of Baptist Men, Royal Ambassadors and High School Baptist Young Men at Western Avenue Baptist Church. (This year's workshop is also planned at Western Avenue Baptist Church, on October 25 at 7:00 p.m. This is a time for an introduction into the work of Baptist Men, RA's and HSBYM on a church level, with information and literature available for those interested in projects going on in our region, state, and in areas in other countries. Plans are

shared for associational activities and projects, as well. All involved in these programs are encouraged to come.)

Locally, areas of ministry by Baptist Men have included a Workday at the Associational Office Grounds; work at Yokefellow in splitting wood on the second Saturday morning of the winter months for needy families; work at Teen Challenge with maintenance projects; participation at the Iredell Prison Unit at church services every Sunday morning from 7:45 to 9:00 a.m. with Sunday School following; participation in a Jail Ministry by personal witnessing and distribution of gospel tracts to prisoners (16 men accepted Christ this year, according to volunteer David Rinehardt); provision of Christmas Parties for prisoners at both the Iredell and Davie County Prison Units in which food, Christmas cards and postage were provided for prisoners (with the assistance of our WMU and donations from others); participation in an Angel Tree ministry to children of prisoners which provides toys and gifts for children of prisoners; promotion of Birthday Parties for Prisoners by participating churches monthly; provision of Worship Services at Lake Myers Campground and at Homer's Truck Stop and at the intersection of I-77 and Hwy. 21 by volunteers -- testaments and gospel tracts are provided as well; and help with two Habitat Houses, with clearing of land provided for a third house. Assistance in helping Royal Ambassador and HSBYM Chapters has been given. These projects were directed by Baptist men serving on our Mission Projects Committee or as a ministry coordinator or volunteer. Thanks to these men.

State and region-wide, our Baptist Men have helped lay block in Princeton, West Virginia at a church under construction and have given assistance in plumbing, electrical and general contracting for churches in Lucia, Lowell and Stanly, N.C. Volunteers traveled to South Mountain Camp to help prepare the camp for summer use by our youth and others. Disaster Relief training was received by Baptist men and ladies from our association during a workshop in Salisbury. Construction and electrical work was done at the Brunswick Baptist Church and the N.C. Baptist Assembly at Fort Caswell. Baptist men from Mooresville First Baptist Church played in the State Softball Tournament this year.

Overseas, volunteer work was done in the Ukraine this year by a team from Mooresville First Baptist and Peninsula Baptist. A team traveled to Cajamarca, Peru in March and April for a 17-day work trip at the request of Missionary Larry Johnson for the purpose of building church furniture, assistance with agricultural projects, assistance with the preparation of eyeglasses for distribution, mechanical and metal work in converting a diesel engine for use as a generator for electricity, rebuilding of ceilings and electrical wiring at an orphanage in Cajamarca and mechanical work in refurbishing well drilling machinery. The team consisted of men and ladies from Beulah, Fellowship and Hebron churches. Time was also spent with Missionary Luke Smith and his family. Provisions for the mission work there and donated items were hand-carried by volunteers. Money for the purchase of shoes for orphans was given by local churches and individuals and was transported by the volunteers to the missionaries. The shoes were purchased and given to the children during a party given them by the missionaries and volunteers.

Royal Ambassadors traveled to State Crusader and Pioneer and HSBYM Congresses this year. An Associational Crusader/Pioneer/Dad Car Derby and Mission Fair was held at Hebron Baptist Church in March with approximately 100 participants. An RA and HSBYM Basketball League was held, led by our

Interest Activity Leaders and volunteers. A Sports Banquet for the boys was held in which awards were given and information concerning RA and HSBYM activities was shared. A team made up of HSBYM and Acteens held a work project at Lucia, N.C. Pioneers participated in a work trip in New York.

In addition to these projects, our churches have been busy "involving men and boys in missions" for Christ. We want to thank every volunteer and each person who has heard the call to serve Christ by serving others through these and other activities during the past year. We would like to be of assistance in any way possible in the coming year as we try to "Go Forward In Christ's Name."

HISTORY OF FORK BAPTIST CHURCH

In June 1793, a group of Christians met on the site of our present church building and organized themselves into a Baptist Church. They chose as a name, Forks of the Yadkin Meetinghouse, which was subsequently changed to Fork Baptist Meetinghouse, and later to Fork Baptist Church.

The first pastor was Rev. Benjamin Buckner. In 1815, Rev. Buckner resigned as pastor and moved to the state of Georgia. His pastorate was for a period of 22 years.

On September 15, 1815, Rev. Joseph Pickler came as pastor. During his ministry there was a split in the church membership over the question of missions. The church clerk at that time was anti-mission and when he left the church fellowship with a number of others, he carried with him all of the church records kept up to that time. The records were never recovered. On May 24, 1840, the church was saddened by the death of their beloved pastor who had so faithfully served them for a period of 25 years.

From May 1840 through October 1952, 5 different pastors served the church. In April 1852, C.W. Bessent, a member of the church, was ordained as a minister. In September 1852, he was asked to serve as supply pastor until a new pastor was called. In May 1853, he was elected as pastor.

Under Rev. Bessent's leadership a new church building was constructed and occupied in May 1862. By January 1863, the construction was complete in every respect. Today there is a pen and ink drawing of this building hanging near the library. The artist is one of our members, Glenda Hendrix Beard. Rev. Bessent resigned in September 1866, ending a pastorate of 14 years.

In March 1869, the first Sunday School was organized.

In 1879, the church completed the Fork Academy Building, Professor C.A. Rominger, a Wake Forest College graduate, was chosen as the first principal.

On July 30, 1893, the centennial services were held.

In 1907, the church building that was completed during the church year 1862-63 was torn down and a new building was constructed. Also an arbor was built during 1907. While the new church building was being constructed, services were held in the Academy Building.

The first church training organization was established in 1913.

In 1924, the first WMU was organized. Mrs. Blanche Burton was elected president. Mrs. Burton was the Church Clerk in 1926 when her home was destroyed by fire. The church minutes for the period beginning January 1, 1917 through April 24, 1926 were destroyed by the fire.

In 1929, the church authorized Professor Wilson F. Merrell to write a history of the church. He completed his manuscript, A Concise History of Fork Baptist Church, in 1930 and on October 22, 1930 read this history to the church.

In 1931, construction on the new Sunday School rooms was started, but was not finished until 1937. In 1948, a pastorium was completed. In 1949, Rev. Lonnie Fleming was called as our first full-time pastor.

During the pastorate of Rev. A.M. Kiser, the church appointed P.M. Johnson as the first church historian in 1957. In 1958, the East educational wing of the church was completed. The first Brotherhood was organized in 1958 with P.M. Johnson as the first president.

In 1964, when Rev. Del Suggs was pastor, the church finished remodeling the old educational rooms in the back of the sanctuary.

Rev. Roy Young was called as pastor in 1965. In 1966, Mr. Robert Lee Seaford completed 40 years as Sunday School Director.

Rev. Yates King Wilkinson, Jr. was called as pastor in 1973 and served until March 1981. Rev. Gordon L. Joyner began his pastorate on August 30, 1981. Early in the year of 1990, Rev. Joyner gave notice that he intended to resign at the end of the year. A search committee was appointed. On November 18, 1990, the committee recommended that Rev. Kenneth R. Evans of Morehead City, N.C. be called as pastor. He began his work as pastor on January 20, 1991.

On June 23, 1991, the church voted to construct new additions to the church building. These included new offices, library, fellowship hall, and a rough-in of a second story floor space over the office area.

On August 18, 1991, Karen Wilson Pruette was called as Minister of Youth.

The new additions to the church building were dedicated on Sunday, May 17, 1992.

Throughout the year of 1992, the History Committee was making plans and putting plans in force for our Bicentennial Year in 1993.

Fork Baptist Church has had 39 pastors in 200 years and eleven members ordained to the gospel ministry. During the 200 years of our history there is a record of baptisms of 149 for one year and either a church, or an associational record shows a total of 1,702 baptisms.

HISTORY OF SOUTHSIDE BAPTIST CHURCH

Out of division in Mooresville's only Baptist Church at the time, have come two strong churches that have labored for three quarters of a century in winning the lost and extending the Kingdom of God in this community and around the world.

A total of 15 pastors have served Southside Baptist Church since its beginning in 1913-1914. Southside was received into the South Yadkin Baptist Association as a fully constituted church in September of 1915.

The first Sanctuary was a white frame building which stood in the general area of the present Sanctuary. A brick educational unit was begun in 1939 and completed in 1941, the basement of which served as a place of worship.

Under the leadership of Homer O. Baker in 1950, a new Sanctuary was erected and completed in 1951. The debt on the building was paid in full under the leadership of pastor Paul Brock in February of 1957.

In April of 1959, a three story educational unit, including space for church offices, was constructed. During this period of time, Cascade Baptist Mission came under the sponsorship of Southside.

The church's 50th anniversary was celebrated in 1963. A new pastorium was built and completed in 1966 under pastor P.C. Gantt.

In February of 1968, Cascade Baptist Mission was given a free and clear deed to their property, and constituted as a church.

1972 saw a Deaf Ministry begun, and a Bus Outreach Ministry started, which served the area for more than 10 years.

In 1977 as a result of a ministry to mentally handicapped persons during a summer Vacation Bible School, the Happiness Class was formed and continues to this day.

In October of 1982 under the leadership of Pastor Jack Mansfield, a mission was begun in the peninsula area of Lake Norman, which was constituted as a Southern Baptist Church in January of 1984.

Under Pastor Mansfield's leading, also, a television ministry was begun which continues to minister to the community even today.

March of 1987 saw ground broken for a new two story educational unit, to take the place of the 1940's building.

The 75th anniversary was celebrated in September of 1989.

A Fellowship Building was constructed in 1989-1990 and the debt paid in full within several years, under the leadership of Pastor Bobby Richardson.

A number of young people have been called from the church family into full-time Christian ministry.

Dr. Gary Byrd is presently serving as pastor of Southside Baptist Church. We extend to each and every one a warm welcome and an invitation to worship with us any time you have opportunity.

Respectfully submitted,
Vera Henderson, Historian

South Mountain Baptist Camp

1993 Camp Report

The 1993 theme "Jesus Makes the Difference" challenged all attending to a closer walk with the Lord Jesus. Of the 840 youth and leaders attending 100 found that Jesus makes the difference when we accept Him as Savior. Another 200 found that Jesus makes a difference in our everyday life as they rededicated their lives to Him. Through our Chapel times, classes on Christian growth, and Christ-centered activities we all were reminded of our responsibility to make a difference by letting Jesus live out His life through us.

South Mountain's retreat ministry and other special groups added ancther 1,060 individuals using the camp, bringing the total attending to 1,900. The fall retreat schedule is full and winter scheduling has already begun.

After 37 years of ministry, South Mountain still is providing a vital ministry to the Churches of Region 8. We ask for your continued prayers and support as we strive to provide a well-rounded camping/Retreat ministry.

Plans for the coming year include remodeling several cottages, periodic work days, scheduling and programs that will best meet the needs of our churches and associations. Please continue to include South Mountain in your churches budget.

In HIS Service,

Tom Lineberger

REPORT FROM STUDY COMMITTEE
TIME/CHANGE ANNUAL MEETING

On Tuesday, October 20, 1992 Rev. Dan Freeman presented a motion that there be a 5 member study committee appointed for changing the time of our annual meeting to a 1-day or a 2-night meeting to get more lay people involved.

Rev. David Turner, moderator appointed the following to this committee: Rev. Dale Parsley, Chairman, Mr. Bill Masten, Rev. Dan Freeman, Mrs. Helen Eller, Rev. Cecil Herrin, and Mrs. Dianne Williams.

On September 20, 1993 this committee met at the Associational Office along with Rev. Blaine Grose, Interim DOM to discuss the matter. Rev. Grose brought to our attention that in 1981 a motion was made to change the meeting time from Thursday and Friday following the 2nd. Sunday in October to Monday and Tuesday following the 3rd. Sunday in October.

There was much discussion with everyone participating on how to accommodate the most people and get more lay people involved. The committee felt that we needed more information and input from the messengers before we could make a recommendation.

Upon the approval of this report, the Study Committee makes the following recommendations: 1. The Study Committee be re-appointed for another year, to report next annual meeting.
2. Allow the committee to survey the messengers and visitors at this years annual meeting on both nights.

Any recommendations presented are subject to the Constitution and By-Laws of this Association.

Respectfully Submitted,
Rev. Dale Parsley

To the Board of Directors
South Yadkin Baptist Association
Statesville, North Carolina

We have reviewed the accompanying special-purpose Treasurer's Report of the South Yadkin Baptist Association for the year ended September 30, 1994 in accordance with standards established by the American Institute of Certified Public Accountants. All information included in this Treasurer's Report is the representation of the management of the South Yadkin Baptist Association.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The accompanying special-purpose Treasurer's Report was prepared for the purpose of inclusion in the Association's 1994 Annual, and is not intended to be a presentation in conformity with generally accepted accounting principles.

Based on our review, we are not aware of any material modifications that should be made to the accompanying special-purpose Treasurer's Report.

MEMBERS AMERICAN INSTITUTE OF C.P.A.'S THE NORTH CAROLINA ASSOCIATION OF C.P.A.'S

CONSTITUTION

Preamble

We, the messengers of Southern Baptist Churches of Iredell and Davie Counties and territory adjacent thereto in the State of North Carolina, do hereby propose to establish and maintain the order of rules of a District Association in conformity to this constitution.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Southern Baptist Churches in Iredell and Davie Counties and adjacent territory who have been duly accepted into membership by the Association. They may be represented at its regular or special meetings by duly elected messengers in the following ratio:

(a) Two for the first fifty members or major fraction thereof and one for each fifty additional members or major fraction thereof, provided that no church shall be entitled to more than ten messengers.

Section 2. The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided that the churches so received shall agree to come under watchcare of the Association for a period of one year. During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the Association in annual session, or by the Executive Promotion Committee at a regular meeting.

Section 3. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this Association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the Association; furthermore, it is the purpose of this Association to cooperate with the North Carolina Baptist Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Ministries.

ARTICLE IV: POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the autonomy of the churches. It may advise or recommend measures of guidance for their adoption but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite that they may more effectively promote the cause of Christ throughout the world.

ARTICLE V: DUTIES OF THE CHURCHES

Section 1. It shall be the duty of each church to elect responsible members as messengers and to encourage their attendance at the annual session of the Association.

Section 2. Each church shall send annually a report to the Association, giving information requested in forms provided by the Associational Clerk.

ARTICLE VI: ORGANIZATION

Section 1. The general officers of the Association shall be a Moderator, Vice-Moderator. Clerk, Treasurer, and Historian, who shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session. These officers shall be elected by the Association with nominations being made from the floor.

Section 2. All officers and all members of all committees shall be members of churches affiliated with the Association.

Section 3. The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the Clerk and the Treasurer of the Association, who may be re-elected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year.

ARTICLE VII: DUTIES OF OFFICERS

Section 1. It shall be the duty of the Moderator to preside when the Association is in session and in other meetings as provided for in this constitution.

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible.

Section 3. It shall be the duty of the Clerk to keep an accurate record of the meetings of the Association and prepare minutes to be distributed within two months after the annual meeting or as soon thereafter as possible.

Section 4. It shall be the duty of the Treasurer to keep an accurate account of all money paid into his hands, pay all bills as they come due, make regular reports to the Executive Promotion Committee, and make an annual report to the Association.

Section 5. It shall be the duty of the Historian to collect minutes of each session of the Association and have these bound into book form every twenty years, and to collect and preserve records of the history of our Association.

ARTICLE VIII: RULES OF ORDER

The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations:

1. All business shall be conducted and all discussions shall be carried on in the manner prescribed in "Roberts Rules of Order".
2. The method of voting shall be by the will of the body.
3. The simple majority shall prevail in all cases except as otherwise provided by this constitution, provided that any member may at any time call for a secret ballot or a roll call on doubtful issues.
4. A ruling by the presiding officer shall be final unless appeal be made from such ruling to the entire body present.
5. A question having been decided twice by a vote in the same attitude at regular sessions of the Association shall not be reintroduced at that annual session, except by the consent of the body, as expressed by a majority vote.

ARTICLE IX: TIME OF MEETING

The Association shall meet annually on the Monday and Tuesday immediately following the third Sunday in October; however, in the case of some unavoidable circumstances that make a change in the date necessary, the moderator, and/or the Vice-Moderator is empowered to make such a change. The Moderator and/or Vice-Moderator shall have the authority to call a special meeting of the Association should the need arise. In the event that the offices of Moderator and Vice-Moderator become vacant, the Clerk shall have authority to call such meetings, provided that a notice of the time, place and purpose of such a called meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

ARTICLE X: THE ASSOCIATIONAL YEAR

The Associational year shall begin with the first of October of each year and close the following September 30.

ARTICLE XI: THE EXECUTIVE PROMOTION COMMITTEE

The Executive Promotion Committee shall be composed of: Moderator, Vice-Moderator and the heads of each organization of the Association: Sunday School , Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Treasurer, Clerk, all Chairmen of Standing Committees, Director of Music, Chairman of Trustees, Chairman of Missions Committee, Chairman of Evangelism, and pastor of each church and one member elected by each church. The Associational Director of Missions shall be an ex-officio member. This committee shall act for the Association in the interim between annual sessions of the Association. It shall take no action contrary to the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next Annual Meeting of the Association for appropriate consideration. It shall make a full and complete report to the next Annual Associational Meeting. The Moderator of the Association shall be chairman of the Executive Promotion Committee. The Secretary shall be elected by this committee and shall be from within this committee.

The committee shall meet on the 3rd Tuesday night of the middle month of each quarter. The heads of each organization and chairmen of committees shall bring to this Executive Promotion Committee a report concerning their work, what they have done toward the progress of the work, and their goals for the future quarter.

In the event of the resignation or vacancy in the office of the Director of Missions, or in the office of the Director of Christian Social Ministries, the Executive Promotion Committee shall elect a search committee to find and recommend to the Executive Promotion Committee a successor.

ARTICLE XII: STANDING COMMITTEES

The Association shall have such Standing Committees as may be considered necessary to promote efficiently the work of the Association, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Executive Promotion Committee or the Association in annual session.

ARTICLE XIII: DUTIES OF STANDING COMMITTEES

The Moderator and Director of Missions, by virtue of their office, are to counsel and advise with all Standing Committees.

1. The Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association nominations for the Standing Committees, the Committees on Resolutions, and Place and Preacher, and to nominate any other committee authorized, unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make additional nominations for members of any committee. This committee shall be appointed by the Moderator at each Annual Associational Meeting and serve to the end of the Associational Meeting of the year following.

2. The Nominating Committee. The Nominating Committee shall nominate all officers of the Association other than the general officers and submit its report to the Executive Promotion Committee or the Association in annual session.

3. The Program Committee. This committee shall be composed of the Moderator, Vice-Moderator, Music Director, Clerk, host pastor of the first day session, and host pastor of the second day session. The duty of the Program Committee is to plan the program for the Annual Meeting of the Association and bring it to the Executive Promotion Committee for information. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

4. The Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Finance Committee to see that an audit of the Treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association.

5. The Committee on Calendar of Activities. This committee shall be composed of the Moderator, Vice-Moderator, Associational Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, and Evangelism Chairman. These shall work with the Associational Director in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, this committee shall work out an annual calendar of activities for the Association to be presented at the annual meeting for approval.

6. The Committee on the Reception of New Churches. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative in spirit and to report their findings and recommendations concerning the reception or rejection of such churches to the Association in annual session or the Executive Promotion Committee at a regular meeting.

7. The Committee on Ordination. This committee serves in an advisory capacity only. Upon the request of a member church, the committee will begin its work with the candidate. It will concern itself only with candidates who have already been called as pastor of a Southern Baptist Church or Mission. Upon receiving the request from the church, the committee should begin gathering pertinent information about the candidate and the field of service to which he has been called. During this time, the committee shall set an examination date. The committee will not examine a candidate or make any recommendations concerning a candidate whose ordination service has been arranged prior to the examination date.

After the examination, the committee should meet in private to assimilate and evaluate their findings. A report should then be written and mailed to both the candidate and to the church requesting the examination revealing the committee's findings and recommendation. The committee may recommend that the candidate be ordained, that he not be ordained, or that ordination be deferred until the candidate has had time for further preparation.

The Executive Promotion Committee should be informed regularly of the work of this committee.

It shall encourage evangelism in the churches and provide opportunities for training and inspiration in evangelism, such as clinics and/or conferences, as needed.

9. The Missions Committee. This committee shall study communities which appear to be in need of new Baptist work and ministry; seek to enlist churches to sponsor new work in such communities; give guidance and counsel in procuring temporary and permanent sites for locating such work in accord with Associational policy; and make recommendations to the Association as to the missionary needs which might be best met through cooperative efforts. It shall advise with any group considering a new church and assist in organizing new churches. It shall review all applications for state missions aid by churches or missions and make proper recommendations to the Executive Promotion Committee.

10. The Committee on Denominational Representation. These representatives shall be nominated by the Committee on Committees. It shall be the responsibility of these representatives to see that the interests of these causes and agencies are kept before the Association and churches as the need arises, and that proper reports concerning their programs and needs are presented at the Associational Meetings.

11. The Personnel Committee. This committee shall provide job descriptions to each Associational staff member as approved by the Executive Promotion Committee. In reference to the job descriptions, the committee shall conduct annual reviews with every staff member. The committee will also act as a support group for the Association's staff members in order to promote good working relations throughout the year.

Upon completion of the annual review, the committee shall make recommendations to the Finance Committee for annual compensation increases. The committee will also report to the Executive Promotion Committee any staff need that should be acted upon as that need arises.

ARTICLE XV: ADOPTION

This constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

REPORT FROM STUDY COMMITTEE TIME/CHANGE ANNUAL MEETING

On September 20, 1994, the Study Committee met at the Associational Office to review the survey taken at the 1993 Annual Meetings. After observation and discussion, the committee agreed 100% that it would not be feasible at this time to make any changes in regard to the Annual Meeting. However, this committee believes that the survey comments be passed along to the Director of Missions and the Executive Promotion Committee for review. Because of demographic changes and trends, there may need to be some changes made at a later time, at which any changes to the Annual Meeting should come from a recommendation from the Executive Promotion Committee.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s, and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families, probably an all-time high.

Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive.

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child but is a "child with problems."

If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this.

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

BAPTIST COLLEGE / UNIVERSITY REPORT

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1994, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effect upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $4,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, NC 27511, telephone 919-380-7334.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date through 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.
(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.
(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

(Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

Respectfully submitted,
Len B. Preslar, Jr., President

THE BIBLICAL RECORDER
Associational Report

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

BROTHERHOOD REPORT

Every man and boy in the churches in our association is encouraged and invited to participate in the work and activities of our Brotherhood during the 1994-95 church year through our Baptist Men's units and RA's. An Associational Brotherhood Workshop is scheduled for October 25, 1994, from 7:00 to 9:00 p.m. and is to be held at Western Avenue Baptist Church. A class will be held for Baptist Men, members and officers, and for RA leaders. Leaders of these classes will be secured from our State Brotherhood office and region. Come and be a part of this annual training event sponsored by our association.

During the year of 1993-94, men and boys have been actively serving our Lord and others through the brotherhood work of their churches and many have reached out to help people in other areas as well. Some of the activities of our men and boys are listed as follows:

(1) An Associational Brotherhood Workshop was held on October 25, 1993, at Western Avenue Baptist Church. Three classes were held with instructors Sybil Wilson, Jimmy Huffman, and Bill Jones teaching Baptist Men, Lads/Crusaders, and Pioneer classes. The workshop was well attended.

(2) The Prison Ministry has continued. Mr. D. W. Goforth has continued to lead out in this ministry. Sunday morning worship is held each week with Sunday School following worship. Pastors from area churches preach each week under the supervision of Chaplain David Dameron. A Christmas Party was held at the Statesville prison unit in December. The WMU, RA chapters, and churches and individuals gave Christmas cards, postage, fruit, candy, and provided a Christian magician so these prisoners could experience Christian love from our association. Song books were donated by Shoney's, and fruit punch was donated by McDonald's. After the party, the excess fruit, candy, and cookies were given to Teen Challenge, Fifth Street Ministries, the Halfway House on West Front Street, and the Detoxification Center.

(3) The Jail Ministry has continued under the leadership of Carl Wright and David Rinehardt every Saturday morning. Many decisions for Christ were made.

(4) In conjunction with the Angel Tree, some of our men furnished transportation to and from Camp Caraway to prisoners' children living in our area.

(5) Several of our Baptist Men units, churches, and individuals took part in a fund drive to meet the need of missionaries in Peru for a portable sawmill needed in construction of churches in the Cajamarca area. Churches leading out in this effort were Beulah, Diamond Hill, Fellowship, Front Street, Ostwalt, and Troutman. Over $7,000 was raised. The sawmill was purchased in Indianapolis and was transported from there to Houston, Texas, for shipment to Peru. Thanks to all who helped in any way with this project which was a request from agricultural missionary Larry Johnson in Peru. Plans are being made for volunteers to help with the construction of a church there in the spring of 1995.

(6) Associational Brotherhood Council meetings were held.

(7) Work at Yokefellow Ministry was done headed up by J. D. Waugh. Men worked in the wood yard the second Saturday of each month so that heat could be provided for needy families in the Statesville area. The three hydraulic wood splitters purchased by our associational brotherhood were used in the work.

(8) Work at Teen Challenge was done led by Clarence White. Workday there is the fourth Saturday of each month. Help was given by volunteers with construction, landscaping, installation of a septic system, electrical repairs, plumbing, carpentry, and painting.

(9) Volunteers helped in the construction of three Habitat Houses.

(10) Work was done at the Associational Office grounds during a workday. Shrubs were removed by volunteers.

(11) Volunteers traveled to Carmel Baptist Church in Salisbury to help to lay foundation blocks for the 6,000 sq. ft. building and to help with pouring of the concrete slab. Plans were made to help with the septic system and other phases of the church construction.

(12) Help has been given by volunteers to the Spanish Mission in Harmony. The fourth Saturday of each month, starting in August of this year, has been designated for work there. Work has been done on the roof, weatherboarding, clothes closet, and general clean-up inside. Plans are being made to paint the roof, install a ceiling in one room, and to help do insulation and winterizing work. Work was done to help prepare a garden for the mission.

(13) Work was done by volunteers, headed up by Dwight Dowell and Rick Dyson at South Mountain Baptist Camp. Building repair, grading, and other work was done to prepare for summer GA and RA campers.

(14) The Truck Stop Ministry has continued this year. Volunteers have installed and maintained Testament and tract displays at Horn's Truck Stop in Mocksville, I-77 Wilco Truck Stop, and Homer's Truck Stop. they have also been maintained at the Yokefellow Ministries, Iredell County Sheriff's Department, and at the Statesville Police Department. Sunday worship has been provided at Homer's at 11:00 a.m. and at 5:00 p.m. The addition of a piano there has been a great help.

(15) Work was done in Beverly, West Virginia, on May 27-28 as twelve men and two ladies worked to lay foundation blocks for the 6,000 sq. ft. building and to help lay flooring beams and to do some electrical work at Faith Baptist Chapel. The ladies helped with food preparation.

(16) The Statesville Balloon Rally provided an opportunity for ministry as volunteers from churches, WMU, and others participated in a South Yadkin Baptist Men's project. With the help of a travel trailer and some tents, people at the rally were able to receive a drink of cold water combined with rest under a tent. A diaper change area for mothers was provided, and free helium-filled balloons, as well as gospel tracts, Testaments, and calendars bearing a gospel message, were given out to inquirers at the booth. Volunteers manned the Baptist Men's trailer on Friday afternoon and on Saturday and Sunday 5:30 a.m. until 8:00 p.m. Thanks to all the volunteers who helped! Thanks to those who donated resources needed, such as Carl Wright who helped us secure tracts, calendars, and helium.

(17) Work was done at Mundo Vista in Asheboro. Plans have been made to start in the construction of 20 bathrooms for cabins, including electrical and carpentry work. This work is already beginning.

(18) The 5' x 8' utility trailer has been used by many church groups during the summer.

(19) The Royal Ambassadors have been active this year. Churches have sent RA chapters to the Lad & Crusader Congresses as well as Pioneer and High School Baptist Young Men Congresses and events. This work has been led by Jerry Kelly, Bob Foy, Tom McLaughlin, Tony Hoover, Mike Warren, and other men who have given their time to leading our young men. The Brotherhood Workshop in October formed the first planning session for counselors of RA and High School Baptist Young Men chapters in our association. A Counselor's Planning Meeting was held at the associational office. RA week was observed in churches November 7-13. Several RA chapters rode on a hay wagon provided by the Faith RA's in the Statesville Christmas parade on December 12. RA's played basketball at the War Memorial gymnasium in Mooresville, playing a short tournament on February 19 which involved several RA chapters. A Car Derby/Mission Fair/Field Day was held at Faith Baptist Church on April 9. This was a very well attended event for our RA's. Trophies and ribbons were provided to winners by our brotherhood. Car winners were eligible to go to state competition at the upcoming congresses. RA's baked cookies for the Christmas prison party and took part in their own churches' work. RA's of Western Avenue Baptist Church were featured in an article in Crusader Magazine, May 1994. The article was written by Gigi Johnston of Western Avenue. It described the work of volunteers at Fifth Street Ministries and at Homer's Truck Stop. Many RA's attended camp during the summer.

Thanks to all who helped with the work done through our Baptist Brotherhood this year! Special thanks to Carrie Caudle of Monticello Baptist for her donation of Testaments for the truck stops, to churches who have given cassette tapes for distribution to truckers, and to all who have helped in any way. Thanks!

Brotherhood Director

CHRISTIAN ACTION LEAGUE REPORT

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The $300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, N.C. is the only state in the traditional Bible-belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the members of the N.C. General Assembly.

Is there anyway to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful $140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

Coy C. Privette,
Executive Director

DISCIPLESHIP TRAINING REPORT

Discipleship training continues to be the best tool available to the churches to help them fulfill the mandate to equip the saints. Our growth has been small in the terms of new units in churches that did not have them. but the growth has been there. Our goal next year is to increase our participating churches by five.

This year we held our annual Bible Drills with three churches participating. We are already looking at four, and possibly five churches, participating this year. Many thanks are in order for the ones who help make this year's drills a meaningful event.

"M" Night has been reinstituted an annual event. The upcoming "M" Night is to be held at Hebron Baptist Church on November 21, 1994. The starting time will be 7:30 p.m.

Our Director of Missions is currently leading pastors and staff members through the exciting "Experiencing God." This is one of those "rare jewels" that comes down the pike every now and then. I feel "Experiencing God" will do for this generation what "MasterLife" did for previous generations. I encourage you and your church to hear a "fresh" word from God through "Experiencing God."

Victory through loving and equipping,
Jack Franks, Discipleship Director

GARDNER-WEBB UNIVERSITY
SCHOOL OF DIVINITY

Thank you for the interest, prayer and support as we have begun the Gardner-Webb University School of Divinity. Let me report our progress to this point by answering the questions we are most often asked.

What is a School of Divinity? Is it purely academic in contrast to the professional education offered by seminaries?

Our purpose is to provide professional education for Christian ministry in a local church. We also help student ministers shape their ministry through courses such as models for ministry, Christian spirituality and religion and personality. Each student meets regularly with a mentor/teacher. We also offer courses in professional areas such as preaching, teaching, worship leadership, church administration, organizational leadership, counseling, evangelism and pastoral care. You can see that we balance classical disciplines with knowledge of practical church leadership and continued personal spiritual growth.

The name "School of Divinity" is usually used when ministerial education is offered by a university. The word "seminary" usually describes a free-standing institution.

Why offer ministerial education in a university?

As a university affiliated with the North Carolina Baptist State Convention, we can provide an excellent ministerial education based on historic Baptist principles. From the beginning we can enjoy the resources of the university such as the programs for the deaf and/or blind students, and masters level studies in other areas such as psychology and business.

How many students do you have?

The School of Divinity is off to a good start. The first semester (Spring 1993) we enrolled 23 students. The fall and spring semesters of our first full year we had 51 students. Projections for enrollment for the fall indicate that we will continue to grow.

Who are your teachers?

Faculty members with long experience such as Dr. Donald E. Cook in New Testament, Dr. Roy B. Wyatt in Old Testament, and Dr. Robert Lamb in church administration form a core full-time faculty. Dr. Albert Meiburg directs Clinical Pastoral Education. Other faculty from the university and from churches and agencies along with missionaries in residence also teach.

How are you doing financially?

The strength of the university has helped us launch the School of Divinity. We are grateful for the Theological Education Grants the Baptist State Convention of North Carolina has made available. Many churches and individuals have helped us. The Christian Service Organization is engaged in a drive to secure additional scholarships.

Where do you stand theologically?

We take the Bible seriously, believing its message about sin, salvation and grace should be applied to every aspect of life. We take a traditional, inclusive Baptist approach, welcoming both men and women who answer God's call to prepare with us.

Please call 1-800-619-3761 for additional information

HEBRON BAPTIST CHURCH HISTORY

"IN THE QUIET OF THE COUNTRY" a church was organized in 1897 in a small one-room school house on the Allison Plantation known at the time as "Turkey Foot" school with sixteen charter members. Hebron was selected as the church name and form that humble beginning has grown through 97 years of ministry to the present membership of 590.

Rev. Daniel W. Poole was called in 1898 as the first Pastor and served until 1900.

January 12, 1901 brought Rev. John G. Weatherman to the Hebron pastorate. During his 20 years as pastor, the membership grew from 20 to 300 at his retirement. This phenomenal growth soon brought about the need for a church building which was begun in 1901 and completed in 1902. The building was erected on two and one-half acres of land deeded by Mr. and Mrs. T. J. Allison and Mrs. E.B. Allison. In 1904, the first missionary support was begun.

Rev. Robert N. Garner was called as the third pastor in 1920. Under his leadership the membership grew to 400 and the Arbor, which still stands, was built in 1924. Rev. Garner retired in 1927.

Hebron's fourth pastor, Rev. Grady D. White, served nine other churches along with Hebron when he began his pastorate in 1927. During his ministry, Sunday School was organized with the first meeting on March 9, 1930. Mr. T. Lee Fox was superintendent. Two renovations and additions to the church building were completed under his leadership, one in 1949 and the other in 1958. Illness forced Rev. White to retire in 1961 after 34 years as Pastor.

The first missionaries supported by Hebron were Mr. and Mrs. T.L. Blalock, missionaries to China until 1956. The first mission circle was organized at Hebron in the late 1930's and was named for Mrs. Blalock. The Mae Blalock Circle is still active today.

Rev. S.D. Baker was called as the fifth pastor in 1962 and became Hebron's first full-time pastor. During this time, the parsonage was built on land deeded to the church by Mr. John Steele. Rev. Baker led Hebron to join the South Yadkin Baptist Association and the Southern Baptist Convention. Also, to begin new programs in WMU, Royal Ambassadors, adopt a church budget and make bulletins. Church growth continued under his ministry and plans were completed to build a new educational building and make internal changes in other buildings before failing health forced him to give up the pulpit.

Rev. Clyde Hawkins became pastor of Hebron in 1971 and provided the leadership needed during this building program. The new facilities were completed and occupied in March, 1973 for the contracted cost of $207,295.00. Rev. Hawkin's ministry was short but very effective before God moved him to another church field in 1974. For almost two years, Hebron continued with interim pastors Rev. Ray Watts, Rev. P.C. Gant and others.

In June of 1976, Rev. William Wease began his pastorate at Hebron. Since Rev. Wease has been pastor, great things have happened in this "Quiet Country Church". Five young men have answered God's call and have been ordained to full-time ministry. A full-time Minister of Music and Youth, Matt Redmond, has been added at Hebron.

The construction of a 550 seat sanctuary was built joining the original sanctuary at a cost of $558,951.00. The first worship service in the new sanctuary was May 12, 1985. Under the leadership of Rev. Wease the church continues to grow and prosper by the Grace of God.

Rev. William Wease retired as of July 31, 1991. The church called Rev. Blaine Grose to lead us as interim until Rev. Jack Franks was called as pastor in November of 1992. We pray that God will continue to use our church "in the quiet of the country" to spread His gospel to all the world.

HISTORY OF MONTICELLO BAPTIST CHURCH

Monticello Baptist Church, a mission from Front Street Baptist Church, started in the spring of 1951, when the people realized the need of a Baptist Church in the community.

On February 3, 1952, forty-one people signed the Articles of Faith and became charter members of Monticello Baptist Church. Rev. W. H. Ferguson was the first pastor to serve Monticello. During his pastorate, a building lot was given to Monticello members by Front Street Baptist Church.

On August 21, 1953, plans for a new 60 x 30 ft. building were submitted and approved. On November 19, 1961, dreams of the Monticello Church family finally came true when the sanctuary was completed and the first service was held.

Several projects have taken place over the years: the completion of the parsonage in 1966; the paving of the parking lot in 1988; the installation of a sound system in 1991; and on Homecoming Day, October 6, 1991, there was a special note burning ceremony signifying that the church is now debt free.

On February 3, 1992, Monticello Church celebrated her 40th anniversary, with 294 members on the church roll and eight of the 41 charter members still attending.

During the past 42 years, there have been 16 pastors. Of those 16 pastors, our present pastor, Rev. Glenn Dancy, III, has served the longest term. Rev. Dancy has been with Monticello since March, 1987. We still have five of the 41 charter members attending.

During the past year, the Long Range Planning Committee has been hard at work planning for the future growth of our church. Church members have worked hard this year giving God's House a new look. There has been a new church sign placed in the front of the church, the baptistry has been renovated, air conditioners have been installed in each of the classrooms downstairs, and each classroom has been renovated. The hallway in the downstairs has been repaneled.

Our church sent our pastor, Rev. Dancy, to the Ukraine on a mission trip this summer for 16 days. Many souls were saved as a result of this effort, and we thank God for it.

We end this year with 309 members on roll, and we look forward to serving the Lord until He comes!

HOME MISSION BOARD 1993 ANNUAL REPORT

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled $36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is $40 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries - The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.
Church Loans - Approximately 1,056 churches had active loans totaling $131.1 million. The Church Loans Division closed 120 church loans totaling $32 million, including $3.8 million of refinancing.
Language Missions - Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.
Evangelism - During Crossover Houston, the Mass Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9 - March 9, 1995.
Volunteers - More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.
Church Evangelism Development - Over 1 million teens participated in "See You At the Pole," gathering at their flagpoles to pray for the schools of our nation.
Administration - The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

PASTORAL COUNSELING & CONSULTATION GROUP

(proposed name)

On February 14, 1991, the South Yadkin Baptist Association signed a formal contract with the Department of Pastoral Care of North Carolina Baptist Hospital and the Pastoral Care Foundation, Inc. of Winston-Salem, N. C., with the association as the "sponsor" and the Pastoral Care Department of N. C. Baptist Hospital as the "provider." The contract states that the "sponsor" provides facilities, furnishings, secretary, and client-aid funds. The "provider" (NCBH) is responsible for the professional staff, supervision, liability insurance, records, and salaries of the professional staff.

The group is located in the James Iredell Building at 113 North Center Street, Statesville. Mrs. Bobbie Grose and Mrs. Kathy Johnson share secretarial responsibilities.

In order not to turn any clients away, a client-aid fund has been established by the association to allow clients with limited resources to receive therapy. At present,, there are eight churches that contribute to the fund. We appreciate their support. The base of this financial support needs to be broadened by encouraging more churches to support the fund and to seek additional funds through personal and corporate gifts. A recent campaign to promote the center was accomplished with bulletin inserts to all churches. A new brochure is available with information about the staff and services of the group. The counseling and consultation group needs your spiritual and financial support.

The staff of the Counseling & Consultation Group is the Rev. John Rowe, M. Div., M.A., director and pastoral counselor; Bettye Howell, M. Ed., marriage and family therapist; and the Rev. Gary Kling, M. Div., pastoral counselor.

The clinically trained pastors and lay professionals who practice pastoral counseling are dedicated to promoting the emotional and spiritual health of all who seek them out, regardless of matters of faith or religion. All members of the staff have received extensive clinical training in psychology, theology, and marriage and family therapy. Counseling and therapy is offered to individuals, couples, families, children, teens, and groups. They are accredited by the American Association of Pastoral Counselors.

RESOLUTIONS COMMITTEE REPORT

RESOLUTION ON GAMBLING

WHEREAS, legislation to allow a state-operated lottery and pari-mutuel gambling (horse/dog racing) with off-track betting parlors "died" in legislative committees during the 1993-94 session of the N.C. General Assembly;

WHEREAS, House Speaker Daniel T. Blue, Jr., provided strong opposition to any gambling proposals;

WHEREAS, the $300 billion gambling industry has announced that an effort will be made in the 1995 session of the General Assembly to secure passage of legislation that will permit riverboat casino gambling in N. C.;

WHEREAS, Governor James B. Hunt, Jr., has signed a compact with the Cherokee Indian officials that will allow gambling operations on the reservation;

WHEREAS, the Christian Action League of N. C. has been the flagship organization in opposing gambling initiatives in our state;

WHEREAS, legalized gambling is being promoted as an economic development tool for local governments that will provide jobs and more taxes;

WHEREAS, any employment created as the result of legalized gambling will be low-skill and low-paying jobs with no useful product being produced;

WHEREAS, studies reveal that legalized gambling exploits the poor because this group will spend a greater proportion of its income on gambling activities than any other group seeking the proverbial pot of gold at the end of the rainbow;

WHEREAS, gambling enterprises undermine public confidence in government because they play upon the weaknesses of its citizens rather than developing their strengths;

WHEREAS, gambling operations enhance criminal activity and encourage corruption;

BE IT THEREFORE RESOLVED THAT THE South Yadkin Baptist Association meeting on October 18, 1994, does hereby:

1. Express our gratitude to Almighty God that proposed legislation to legalize this insidious evil of gambling was defeated;

2. Express our profound appreciation to House Speaker Daniel T. Blue, Legislative Building, Raleigh, N. C. 27611, for his courageous leadership in opposing these legislative proposals;

And the spirit was dear.

So thanks to our friends,
At Hebron and MBC
And thanks to you all,
For we can foresee

An upcoming year,
Of sweet cooperation,

WMU REPORT

The theme for 1993-94 was "Serve in Christ's Name." "Enable us to hear the cries, Of those who, in despair, Call out for someone who will hear, For someone who will care. Then, hearing, let us actively, Pursue with one accord, A ministry which meets their needs; Give us thy love, O Lord." Verse one of "O Lord who Comes to Earth to Show" outlines the key element of our emphasis for 1993-94 WMU year. We in WMU will hear the cries, care, and minister to those in need. Through our local church WMU, associational WMU, State WMU, we show our love for the Lord in ministry.

Through the association, various opportunities are available for meeting the needs of the local church WMU.

Training was held at Oakdale Baptist Church on September 20 for the purpose of equipping the church WMU leaders to work within their local church WMU. There were 120 in attendance.

Prayer opportunities were available through Baptist Women World Day of Prayer. There was a time for women to come together and pray for and learn about needs all over the world. A prayer retreat was held at Diamond Hill with emphasis on "prayer." Four area meetings were held with a different emphasis for each meeting.

Associational WMU Annual Meeting was held May 3 with Mildred McWhorter, retired Home missionary , as guest speaker. The meeting was held at Fairview Baptist Church with Mrs. McWhorter being an inspiration to all to carry on the work of the WMU.

Age level organizations participated in the following: GA Day Camp, May 21, Lakewood Park, theme - "Picture Yourself in Missions"; Mission Friends, Christmas in August, August 27, Beulah Baptist Church; BW & BYW World Day of Prayer; Prayer Retreat; giving to Women's Prison, Raleigh; cookies for the Statesville and Mocksville Prison Christmas parties.

The Associational WMU Council held quarterly council meetings; went to State WMU training at Caraway; made visits in the local churches with an emphasis to "Serve in Christ's Name."

Respectfully submitted,
Libby Correll, Director

YOUTH COMMITTEE

The Youth Committee would like to thank the Pastors and Youth Pastors for their support during this year's ministry. In March, Radical Weekend challenged the youth to live godly and in purity. Dave Edwards and Don Carson, who led the worship time, challenged the youth to have a relationship with Christ. There were eight who asked Christ into their hearts and thirteen rededications.

On September 21, over 600 youth gathered at their school flag pole and prayed. Nationwide, over 1.5 million gathered to pray for their schools, teachers, principals, and friends. Thank you, Youth Ministers, who helped in praying with our youth.

September 25, the group "Truth" was at Western Avenue Baptist Church. This was youth night and also a family night with 640 in attendance.

Thank you as an association for your love for teenagers and your desire to make Christ known to them.

Your Servants,
Youth Committee

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road. Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion, and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me, and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the fall of 1995.

Founded in 1970, in October, the Baptist Maternity Home in Asheville celebrated 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee, and friend, Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend, Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and provided two fun-packed days of rides, games, entertainment, and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage, and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs, and endowment. The campaign will run September, 1995 - May, 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security, and love.

BAPTIST COLLEGE/UNIVERSITY REPORT

The Baptist State Convention is 165 years old. For 161 of those years, the Convention has been in the business of founding, adopting, supporting, and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University, and Wake Forest University.

For 1995, the Convention's Christian higher education budget is $6,000,540, or 20.41% of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances, their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide of sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, NC 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions, and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

NORTH CAROLINA BAPTIST HOSPITAL, INC.

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, or will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST" - Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS - In May, restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION - Through spiritual and emotional healing to patients, families, and staff, approximately 55,000 ministries were provided by our chaplain.

THE CENTER FOR CONGREGATIONAL HEALTH - This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS - This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING - With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

POINTS OF EXCELLENCE AND PROGRESS - FINANCIAL STEWARDSHIP: Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% on those same charges, despite treating the most critically ill patients from across the state.

Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% on those same charges, despite treating the most critically ill patients from across the state.

QualChoice of NORTH CAROLINA - A managed care plan providing quality healthcare and patient physician choice. Established by the North Carolina Baptist Hospitals, Inc., and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.

ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96, we earned the distinction as one of America's most highly rated hospitals.

Trusting in these, we move forward boldly and confidently into the future.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the 44-year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, NC, as its first full-time chaplain. Rev. Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for older adults, the final phase of the renovation of the Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of the Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of the Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized older adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized older adults suffering from dementia.

In an effort to provide older adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail older adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist older adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc....the new service designed primarily to extend the amount of time that frail Baptist older adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for older adults...**The Best of Times!**

THE BIBLICAL RECORDER

The headlines each day -- Bosnia, O.J. Simpson, interest rates, tax overhaul, etc. -- often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story -- the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage, and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features, and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609, (919) 847-2127.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This year has been a significant one for the Christian Action League of N. C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature, and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol: The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery: In the 1995 Session of the General Asembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session. We praise the Lord for this victory and for the fact that N. C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion: The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the abortion funding from $1.2 million to $50,000 and then to be used only in cases of rape or incest. For many years we have been working for legislation requiring Parental Consent before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education: Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. League Leadership: Rev. Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,
Joe S. Lennon, President

CHRISTIAN LIFE COMMISSION, SBC

The Christian Life Commission's assignment from the Southern Baptist Convention is one of Christian moral development by emphasizing the application of the principles of the Christian faith in personal and public life. Effort is made to provide Christian ethics services to other Southern Baptist agencies, state conventions, associations, churches and individuals to enable Southern Baptists to deal with the serious moral challenges of our time. The Commission encourages the formation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church.

Through its Washington, D.C., office, open since 1987, the Commission has a moral leadership role in the nation's capital. The staff in Washington includes the Director of Government Relations, the Director of Media and News Information-Baptist Press Reporter, and the General Counsel-Direct of Christian Citizenship and Religious Liberty Concerns. The Washington staff has sought to fulfill the program statement assigned to the Commission to "bring to bear Baptist statements, convictions, and insights in Christian ethics and religious liberty upon important policy making groups"; and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare.

During the past year, the Washington and Nashville staffs have worked diligently to share with Congress and the White House convictions and concerns of Southern Baptist. The staff has corresponded and met with members of both the legislative and executive branches of the federal government on areas of Southern Baptist concern. Salt, a newsletter, is published six times a year to keep Southern Baptist informed on public policy and issues in the administrative, judicial, and legislative branches of government. Abortion, drug abuse, and pornography are among the issues in which the staff has been involved in the past year. The continuing concern about serious threats to religious liberty posed by recent Supreme Court decisions has been the basis for the Commission to address both legislature and judicial concerns. The Commission continued filing amicus curiae, "friend of the court," briefs in cases involving areas within its program statement. The Commission continued to call Southern Baptists to a greater understanding of the truth that our faith calls us to informed participation in our nation's political process.

The 1995 annual national seminar, entitled "The War of the Worlds: The Struggle for America's Soul," was held at Southeastern Baptist Theological Seminary in Wake Forest, NC, February 27-March 1, 1995. The seminar program combined interpretative biblical themes with addresses on subjects such as "What are World d Views and Why They are Important?", "The Issue is Truth", "The Struggle for the Right to be Involved", "The Struggle for the Inner City", "The Struggle for the Media", and "The Battle for Human Life". The seminar also included a discussion of the public policy aspects of critical issues impacting the world.

The Commission has been extremely active in the area of the sanctity of human life by publishing a wide range of materials to assist Southern Baptists in celebrating Sanctity of Human Life Sunday in January. The video, entitled "The Sanctity of Human Life", continues to be received enthusiastically by Southern Baptists. The Commission hosted a consultation on violence at abortion clinics in September, 1994, which resulted in the publication, "Why Killing Abortion Doctors is Wrong: The Nashville Statement of Conscience", which has generated considerable interest among Southern Baptists as well as news media.

Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities. The Commission produced a video on race relations and continues to assist Southern Baptists in the observance of Race Relations Sunday. The Commission also continued its assignment from the Convention for education and action on the hunger issue. The film, "What Shall We Do in a Hungry World?", continued to be used significantly to heighten Southern Baptists' awareness on this issue.

The Commission produced a gambling video entitled "Gambling: The Hidden Realities", which has been widely distributed by state convention offices to associations in several states. The staff has been very active in providing information to state conventions, associations, and local churches on the gambling issue. A new video was produced entitled "Bites Like a Snake: Students Speak on Alcohol and Drugs", that seeks to help churches warn young people about the dangers of alcohol and tobacco.

The circulation of Light, the bimonthly moral concerns journal of the Commission, and Salt, the bimonthly newsletter produced in the Washington, D.C., office, continues to experience rapid growth. Circulation is currently around 91,150 for each.

The Commission plans to undertake numerous initiatives during the years ahead. These include: expanding the Nashville and Washington, D.C., staffs to increase its ability to fulfill its program statement; sponsoring seminars on the challenging moral and social issues of our time; implementing every means possible to inform, challenge, and energize Southern Baptists to become involved with the vast array of moral and social issues confronting our society; and updating, revising, and expanding literature and audio/video material available to Southern Baptists on moral and social issues.

In reviewing its program activities for the past year, the Commission remains encouraged and faces the future with faith and hope in furthering the cause of applied Christianity among Southern Baptists. The trustees and staff solicit the prayers of Southern Baptists as it seeks to discern the Lord's will and work in serving Southern Baptists.

The Commission is committed to a complete Gospel for the complete person. It rejects an inherent conflict between the social and salvation aspects of the Gospel. It was never intended that there should be a dichotomy between the two. The Commission believes it is wrong to seek to feed the hungry and not tell them about the bread of life. It is shameful to seek to clothe the naked and not tell them about the whole armor of God. It is a disgrace to seek to house the homeless and not tell them that in our Father's house are many mansions. It is also less than complete obedience or full discipleship to proclaim salvation and not also seek to minister to people's earthly needs.

HISTORY OF COCHRAN STREET BAPTIST CHURCH

The beginning of Cochran Street Baptist Church is unique, due to the fact that Brother Mac Bustle had started an individual work there several months before it became a mission station of Western Avenue Baptist Church. Mr. Bustle had erected a building which he was using for services.

In the early days of January, 1949, Western Avenue Baptist Church learned that Brother Bustle desired to sell the building and lot. A committee was appointed to investigate the possibilities of buying this property and beginning a work there for Western Avenue. This committee reported through its chairman, Brother Floyd Kennedy, that the property could be purchased for the sum of $1,200.

On February 6, 1949, Brother R. D. Christopher reported that the proposed Cochran Street property was going to be disposed of immediately and if Western Avenue Church desired to begin a mission work there, they should act at once. He made a motion that Western Avenue purchase this property for the sum of $1,200; put it in a good state of repair; and that they begin a mission work there as early as possible. A vote was taken , and the motion carried. Work was begun immediately to put the building in condition for use as a mission. The First Baptist Church and Front Street Baptist Church bore most of the expense of putting the building in a good state of repair and purchasing a piano.

The mission work began on Sunday, April 24, 1949, with Brother Lonnie Joyner as Superintendent of the Mission Sunday School. The following workers went with Brother Joyner from Western Avenue: Mr. and Mrs. E. P. Burdette, Mr. M. S. Campbell, Mr. and Mrs. Lester Billings, Mr. E. B. Gilleland, and Miss Hannah Gilleland. Sunday School attendance on the first Sunday was 26.

On August 24, 1949, Rev. W. H. Ferguson was called as mission pastor for Cochran Street Mission. Services were scheduled for two Sunday mornings per month. Cochran Street Mission had been given the privilege of receiving members as an arm of Western Avenue Baptist Church in July, 1949.

When Brother Ferguson was called to serve as pastor, some twenty members were enrolled at Cochran Street Mission as members of Western Avenue Baptist Church. There continued to be a steady growth in Sunday School enrollment and attendance.

The Women's Missionary Society was organized in September, 1949, with Mrs. E. B. Gilleland as president.

On July 12, 1950, Brother Ferguson was asked to preach full-time except the first and third Sunday nights. The Baptist Training Union was organized in October, 1950.

Cochran Street Mission was constituted into a self-supporting Baptist church on March 16, 1952, and thus became Cochran Street Baptist Church. The officers of the South Yadkin Baptist Association along with a council made up of the following sister churches, participated in the service: Western Avenue, Bethel, Beulah, Diamond Hill, Front Street, Monticello, and First Baptist. Several other visiting churches were also present.

The pastor of the sponsoring church (Western Avenue Baptist Church), Rev. Wendell G. Davis, assisted in the organization of the church and presented the Church Covenant and Articles of Faith and the Bible. Thirty-four members of Western Avenue Baptist Church presented themselves as charter members. Rev. Lester Beckham, who was serving as pastor of the mission, led the prayer, and Rev. James Potter, pastor of the First Baptist Church, brought the message.

The body of believers at Cochran Street Baptist Church has had a glorious history of growth over the years with salvation and the lost as its consuming passion. There have been six pastors at Cochran Street with each contributing much to the growth of our church. The present pastor, Dr. Randal E. Helms, has just celebrated his first anniversary at Cochran Street Baptist Church. During the past year, there have been 55 souls added to the Kingdom of God. Dr. Helms has instituted many new programs and ideas that have regenerated a new enthusiasm and zeal for God's work. God continues to bless Cochran Street Baptist Church!

HISTORY OF JERUSALEM BAPTIST CHURCH

In 1815, the Heidelberg Evangelical Lutheran Church records state that "Nicholas Click and a number of other members organized and built the New Jerusalem Church for all denominations." This building was used both as a house of worship for all denominations and as the first school in this community. This hewn-log structure as located near the center of the present cemetery.

On March 28, 1868, twenty-three people came together to organize the Jerusalem Baptist Church. It came about as members of the Fork Church, who lived west of the Dutchman's Creek, decided it was time to establish a church house nearer their home community. Rev. C. W. Bessent, who had served as pastor of the Fork Church, was called as the first pastor; and preaching was held approximately once a month.

In May of 1870, a Sunday School was organized and by September of 1871, the total church membership had grown to 79. In these few years of ministry to the local community, Jerusalem Baptist Church had seen a total of 63 decisions; 51 of these had come for baptism and 12 had joined by letter. In 1878, after seven years of careful planning and working together, a building was built and furnished. The records reveal that in 1880, the preaching began to be held on two Sundays a month instead of just once a month. In 1882, Jerusalem Baptist Church joined the Baptist church in Mocksville in building a parsonage in the Mocksville area. On September 6, 1890, with a membership of 152, the church established a weekly prayer meeting service.

Disaster threatened the church when the church building was struck by lightning on Wednesday night, June 3, 1891, and burned the beautiful building which had been constructed in 1878. Everything except the Pulpit Bible, the middle aisle carpet, and five lamps from the center chandelier was destroyed. Therefore, on June 6, 1891, the church began to meet in the old union house which was located nearby.

Shortly thereafter, a building committee was elected to try to work out something concerning the church building. In the meanwhile, the church accepted the invitation of S. J. Tatum Company to worship in the loft of their two-story brick storehouse. This storehouse was located in the center of the present parking lot. On March 8, 1892, this storehouse was purchased by the church; and it was remodeled into a house of worship. This sanctuary included a balcony for the Negroes who wished to come to worship, and they later formed the New Bethel Baptist Church at the crossroads below the Jerusalem Baptist Church.

In 1895, S. J. Beeker was the first candidate to be ordained into the Gospel ministry by the Jerusalem Baptist Church; and like many churches of its time, the members were strictly accountable for all their actions, both moral and spiritual. There was an occasion when one member refused to abide by this accountability and was excluded from the membership of the church.

In 1905, the congregation of Jerusalem and Cooleemee were called "half-time" churches and shared a pastor between the two congregations. The church enlarged its buildings in the latter part of 1906 by building an addition of brick to the storehouse. This now made the building "T" shaped with a beautiful slender spire pointing skyward at the south end of the building.

In 1913, the church ordained its second candidate for the Gospel ministry - R. K. Redwine. During the summer of 1920, a series of outstanding revival services were held in the community. During the next year, the church bought the school house lot from the County Board of Education which was located across the street from the church buildings.

In 1934, Jerusalem Baptist Church purchased one-half interest in a parsonage with the Turrentine Baptist Church. Another major step was made when a Training Union was organized in 1940. The first Vacation Bible School was in July of 1941. In July of 1945, the church shared pastoral responsibilities with the Turrentine Baptist congregation. In 1947, the church stepped out in faith to go full-time, that is to have services on every Sunday plus they instituted the annual Homecoming experience which was to be celebrated the third Sunday of August each year.

In the spring of 1951, the church built its own parsonage in order to provide for a full-time minister. They also began to feel the need for a new church building because there was not adequate classroom space, and the building was in need of major repairs. Therefore, in late 1952, a Planning Committee was elected and a Building Fund Offering was begun for a new church in 1953. During the ministry of Rev. E. W. Sellers, the building fund offering continued to accumulate toward the building of a new church. In July of 1958, the church voted to begin a new church building as soon as possible. In August of 1958, the church purchased a large tract of land from Robert Charles with the intention of using it for the new church building. Later, the church traded this tract of land for a tract of land adjoining the present site. This trade made possible the erecting of the new building at approximately the same location of the old church building and gave the church space for ample parking.

In July of 1959, the church voted to build a new Educational Building with one assembly room large enough for its worship services and to build the sanctuary at a later date. At Homecoming in August of 1959, a groundbreaking ceremony was held with Mrs. E. W. Turner, wife of former pastor, Rev. E. W. Turner, turning the first spade of dirt.

During a critical interim period, the church was served by a member studying for the ministry at Fruitland Bible Institute. The church later ordained Jack Johnson into the Gospel ministry in 1960. During the ministry of Rev. Bob Hilliard, a special building fund drive was launched in which seven families gave $500 each, and others gave as they could. In a couple of months, about $7,500 accumulated in the building fund. The Educational Building was finally completed in early April of 1961 with much of the work being done by volunteer labor by the men of the church.

The Educational Building was 6,400 square feet of floor space with two floors of classroom space. The approximate value at the time of its completion was $45,000. The Jerusalem Baptist Church moved into its new building on April 16, 1961, and the church completely graded its Sunday School upon moving into the new facility with several new classes being organized. In May of 1961, the old church building which had been bought from the S. J. Tatum Company was sold and removed from the grounds. Improvements continued to be made to the property as it was graded and landscaped in preparation of a new sanctuary.

After several months of study, a new Constitution and By-Laws was presented and adopted by the church in December of 1961. In 1962, a brick church sign was erected and white plank fence was built around the edge of the church property. On March 28, 1968, under the leadership of the Holy Spirit, ground was broken for the present sanctuary. The first service was held in October of 1968 in the new sanctuary. In March of 1969, Howard Wilkins was ordained into the Gospel ministry. In 1978, the church voted to build a new brick, ranch-style parsonage on Pleasant Acre Drive. Over the years, the Lord has made it possible for the congregation of Jerusalem Baptist Church to build some recreational areas, playgrounds, arbor, purchase a mini-bus, purchase a new Allen organ and new Yamaha piano, build a covered walkway, expand the parking lot, install a new sound system, and remodel the nursery.

During the 127-year history of this church, it has always sought to manifest a missionary spirit. It has contributed to the beginning of several area churches. In 1869, several of its members organized the Trading Ford Baptist Church in Rowan County. In 1870, it assisted in the organizing of the Calvary Baptist Church at the Ellis School in Rowan County. The Turrentine Baptist Church was organized at the Turrentine School in 1897. On June 3, 1900, nine members from the Jerusalem congregation organized the First Baptist Church of Cooleemee. In recent years, fellow members have become increasingly aware of the needs of area young people, so in the fall of 1993, the Youth for Christ program was begun on Wednesday nights and now ministers to many area children, youth, and families!

The congregation of Jerusalem Baptist Church has been served by 33 pastors. Its current pastor, Rev. Jimmy Lancaster, began his pastorate in January of 1994. The church membership is now at 213 with an annual ministry budget of $80,744...a significant increase from the early beginnings...recognizing He is able to do abundantly more as we carry out the Gospel message...first in our JERUSALEM!

HOME MISSION BOARD, SBC

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year, there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about 2% more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th anniversary. About 35% of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries: The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans: The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions: Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers: Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries: More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension: Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries: International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening: The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

PASTORAL COUNSELING AND CONSULTATION GROUP

The mission of the Pastoral Counseling and Consultation Group is to provide ministries on counseling, education, training, and consultation within the context of the Judeo-Christian tradition to help persons, families, minister, and congregations obtain a more abundant life. such ministries will be provided through professional persons who are committed to the Judeo-Christian tradition and who are also theologically and professionally trained and certified in the behavioral sciences and related fields.

The client subside fund has been used by 15 individuals or families in the past year, and it is supported by nine churches. With managed care and changes rapidly occurring in health care nationwide, this figure will likely increase in coming years. This fund enables clients with limited resources to receive therapy.

Counseling hours have increased from 19 clients/week in 1994 to 24 clients/week in 1995. Also, educational and training opportunities are now being provided by the staff for pastors and congregations. Therefore, the Advisory Board voted in July, 1995, to extend the operating hours to a third day. Operating expenses will increase; therefore, additional funding is needed.

Your support in helping reach these needs is appreciated.

WMU REPORT

A Time to Grow

1994-1995

"May the Lord make your love for one another and for all people grow more and more." I Thess. 3:12a TEV.

Through Woman's Missionary Union, people are given the opportunity to grow spiritually, grow in helping a hurting and lost world, and to grow in praying and being a part of missions involvement. This year WMU's in churches have been showing the love of Christ by doing missions right where they are. Many needs have been met by the WMU's in our Association. A special thanks to each one of you that has "shown love for one another."

Through our Associational WMU, we have been involved in training the local church WMU to do the work the Lord has called each of us to do. With the August WMU training conference, a variety of classes were offered. Classes available were: Partnership of South Yadkin Association with the Graffiti Mission in New York City, Project Help: Aids, helps with active children in a church setting, and all WMU age-level organizations.

At our annual meeting, we had the opportunity to hear first hand how we can make a difference in being a volunteer on the mission field. Mary Anne and George Crouch, volunteers in missions, were our guest speakers at Fork Baptist Church. Your response to Project Help: Hunger was a great success. Your giving of canned food and money helped in three areas of food distribution.

The age-level organizations provided the opportunity for growth through: Mission Friends Christmas in August; Girls in Action Day Camp, Mission Adventure Workshops; Baptist Young Women time management seminar; Baptist Women Day of Prayer in November; and a book study of Mildred McMurry's book Spiritual Life Development.

Many on the Associational WMU team had the opportunity to share about WMU in churches across our Association this year.

Risk the Journey and Move Toward the 21st Century--that is what WMU will be doing this coming year. Change is happening! We in WMU will move forward with excitement in knowing the Lord's work is there for us to do.

Respectfully submitted,
Libby Correll, Director

BROTHERHOOD REPORT

This year many men, women, boys and girls in our Association have been active in mission work and ministry to our own churches and communities. Our Baptist men, Challengers, and RA's have been busy in the following areas:

1. Associational Brotherhood Workshop: This annual event was held October 25, 1995, at Western Avenue Baptist Church. Baptist Men, Challengers, Lads, and Crusader leaders met for training by regional and state workers.

2. Prison Ministry: Weekly services assisted by volunteers Sunday mornings are held (D. W. Goforth).

3. Prison Christmas Parties: Christmas parties were held this year in both Iredell and Davie County prison units. Cards to mail with postage were given to inmates. Refreshments of cookies, candy, and fruit were provided. A magician, "Uncle George", entertained and Christmas carols were sung. Baptist Men and Women assisted. Church groups and WMU provided the cookies and Christmas cards with stamps for prisoners to send to their families.

4. Jail Ministry: (Carl Wright and David Rinehardt) Volunteers meet every Saturday morning at 8:30 a.m. for jail visitation at the Iredell County Jail. Seventeen were saved this year.

5. Spanish Mission, Harmony: Volunteer workdays are held on the fourth Saturday of each month at the mission. This year, Baptist Men and Women have assisted with materials and with the improvement of the physical structure of the mission building. Thanks to all who have helped with this work.

6. Resort and Recreation: Worship provided at Lake Myers Campground. (Fred Hellard)

7. Teen Challenge: Workdays are the fourth Saturday of each month at Teen Challenge by Baptist Men. (Clarence White)

8. Yokefellow: Volunteer work is done on the second Saturday of each month in sawing and splitting firewood for the needy.

9. Truck Stop Ministry: Held on Sundays at 11:00 a.m. by volunteers at Homer's Truck Stop. Assistance is provided to truckers and travelers. Also, tracts and Testaments are made available at Horne's Truck Stop in Mocksville, at the Iredell County Sheriff's Department, the Statesville Police Department, and at Yokefellow for needy families. Tracts and Testaments will be available at the Wilco Truck Stop on I-77 in a few days. Special thanks to Carrie Caudle who has faithfully made Testaments available in English and Spanish.

10. Mundo Vista: Our Baptist Men have done construction work at Mundo Vista this year helping to install new bathrooms onto each cabin.

11. Wheeling, West Virginia: Volunteers spent June 1-4, 1995, laying the foundation for a pioneer mission church. The group battled bad weather, but assisted church members in laying cement block at Abundant Life Baptist Church in Wheeling. Baptist Men and wives assisted in the work.

12. 5' x 8' Enclosed Trailer: Assisted several churches in our Association this year.

13. Three Hydraulic Woodsplitters: Assisted wood ministry work in our area.

14. Overseas Work Trips: Our Baptist Men coordinated three overseas work trips during this church year. Three teams have gone to assist in the construction of a new church sanctuary in Cajamarca, Peru, at the request of Larry Johnson, SBC agricultural missionary there. The first team went February 24 to March 12, 1995, to prepare wood for the building. Logs were cut with the portable sawmill which was donated in April, 1994, by free-will gifts largely from churches and individuals in our Association. Five volunteers went, four from our Association.

The second team went June 10-25, 1995, to assemble and help to set the rafters. One person went from our Association. The third team went to lead out in paneling, building windows, and constructing the church steeple. This group went August 19-September 3, 1995.

A team is needed for January, 1996, to finish construction of the sanctuary. Materials are to be sent by ship for the volunteers.

15. Royal Ambassadors and Challengers: Counselors and directors met for training in October, 1994. The RA's participated in an Associational Car Derby and Mission Fair held at Front Street Baptist Church in March. Approximately 30 RA's participated in each division. Trophies and ribbons were awarded to racers and Mission Fair winners.

Many RA's participated in State RA Congress at Thomasville in March and in RA camps at Caraway and South Mountain in addition to activities in their chapters, churches, and communities. Challengers were active as well in local and statewide events.

Thank you to all who assisted in Brotherhood work in any way this year. Many acts of service were not mentioned in our report.

Respectfully submitted,
Wes Lytton, Brotherhood Director

RECOGNITION OF CHURCH CLERKS

The Annual Church Profile is now being completed on computer by some clerks. This process will not allow for mistakes which can be checked by the office. Due to this fact, we will no longer recognize perfect Annual Church Profiles. We would like to take this opportunity to thank each clerk for the extra efforts and hard work which goes into compiling the information for the Annual Church Profile.
